A unique locked room debut with a memorable intergenerational relationship and gaming angle about a grandmother and granddaughter who are snowed in at a lavish party at a mansion where the host has been murdered and the unlikely sleuthing pair must draw on a unique skillset to navigate a dangerous game together. Widow Mimi lives on idyllic Mackinac Island where cars are not allowed and a Gibson with three onions at the witching hour is compulsory. Her granddaughter Addie is getting over the heartbreak of her fiancé Brian dumping her and cutting her out of the deal for the brilliantly successful video game *Murderscape* they invented together with Addie doing most of the heavy lifting. When Mimi gets an invitation from local socialite Jane Ireland, a seventysomething narcissist who is having an affair with her son-in-law to a charity auction, it is the perfect excuse to get Addie to join her for the weekend. What Mimi isn't telling Addie is that a blackmail threat from Jane looms over the party's invitation. In case the scene wasn't already set for a turbulent weekend, a big storm rolls in, trapping everyone in the mansion. And then Jane's body is found. Soon Mimi and Addie are caught in a dangerous game relying on their skills. Mimi loves a crossword puzzle and Addie is a brilliant game designer after all, to narrow down the suspects. When another body turns up, the sleuthing pair realize someone else is playing a deadly game and they might not survive the night. *Somewhere in Crime* Dave McVeigh, Jim Bolone, 2023-08-09. The eighteen essays in this volume explore Constance Fenimore Woolson's prodigious range of place from the Great Lakes to the defeated South and across storied Europe to the Mediterranean. Her achievements come alive in this enlightening collection, shedding light on the full scope of her professional writing career. The first section, *A Writer's Experiments*, reveals that Woolson's play with familiar genres and unfamiliar characters began during the 1870s and extended until she died in 1894. Consistently she tested the limits of representing women's labor and their erotic desires. The second section, *Postbellum Souths*, follows Woolson's travels through

a land ravaged by war and injustice Drawing on theories of travel collective memory the Lost Cause religious controversy and a race bound region these essays expose both the smugness of visitors and the agendas of residents that Woolson was among the first postwar writers to portray The third section Through an International Lens considers expatriate perceptions of European and Mediterranean cultures as well as misconceptions about the Gilded Age United States Here and throughout this volume accounts of Woolson s travel sketches mingle with those of her fiction and poetry while her encounters with the writing of other Americans demonstrate how regularly Woolson made her century s literary terrain more subtle and complex

Great Lakes and Midwest Catalog Partners Book Distributing,2007 *Constance Fenimore Woolson's Nineteenth Century* Victoria Brehm,2001 These essays explore topics crucial to understanding the period s literature and suggest new directions for scholarship Together they constitute a collection that expands the available body of criticism about Woolson and her contemporaries This book is indispensable reading for anyone interested in nineteenth century women s fiction and travel writing Jacket **Michigan in Books, 1958** Michigan State Library,1958
