Murder In The Morning Calm:

Murder in the Morning Calm Bob Warner, 2003-02-01 *The Contested Murder of Latasha Harlins* Brenda Stevenson, 2013-07-23 Helicopters patrolled low over the city filming blocks of burning cars and buildings mobs breaking into storefronts and the vicious beating of truck driver Reginald Denny For a week in April 1992 Los Angeles transformed into a cityscape of rage purportedly due to the exoneration of four policemen who had beaten Rodney King It should be no surprise that such intense anger erupted from something deeper than a single incident In *The Contested Murder of Latasha Harlins* Brenda Stevenson tells the dramatic story of an earlier trial a turning point on the road to the 1992 riot On March 16 1991 fifteen year old Latasha Harlins an African American who lived locally entered the Empire Liquor Market at 9172 South Figueroa Street in South Central Los Angeles Behind the counter was a Korean woman named Soon Ja Du Latasha walked to the refrigerator cases in the back took a bottle of orange juice put it in her backpack and approached the cash register with two dollar bills in her hand the price of the juice Moments later she was face down on the floor with a bullet hole in the back of her head shot dead by Du Joyce Karlin a Jewish Superior Court judge appointed by Republican Governor Pete Wilson presided over the resulting manslaughter trial A jury convicted Du but Karlin sentenced her only to probation community service and a 500 fine The author meticulously reconstructs these events and their aftermath showing how they set the stage for the explosion in 1992 An accomplished historian at UCLA Stevenson explores the lives of each of these three women Harlins Du and Karlin and their very different worlds in rich detail Through the three women she not only reveals the human reality and social repercussions of this triangular collision she also provides a deep history of immigration ethnicity and gender in modern America Massively researched deftly written *The Contested Murder of Latasha Harlins* will reshape our understanding of race ethnicity gender and above all justice in modern America **All-American Murder** Amber Hunt, 2011-08-30 Recounts the brutal murder of Yeardley Love a star athlete and student at the University of Virginia at the hands of her ex boyfriend George Huguey V who turned out to have a history of violent behavior *The Wolves of K Street* Brody Mullins, Luke Mullins, 2025-05-13 A dazzling and infuriating portrait of fifty years of corporate influence in Washington *The Wolves of K Street* is a not so guilty pleasure The New York Times irresistibly dramatic spectacularly timely explosive in its revelations and impossible to put down In the 1970s Washington's center of power began to shift away from elected officials in big marble buildings to a handful of savvy handsomely paid operators who didn't answer to any fixed constituency The cigar chomping son of an influential congressman an illustrious political fixer with a weakness for modern art a Watergate era dirty trickster the city's favorite cocktail party host these were the sort of men who now ran Washington Over four decades they'd chart new ways to turn their clients cash into political leverage abandoning favor trading in smoke filled rooms for increasingly sophisticated tactics such as shadow lobbying where underground campaigns sparked seemingly organic public outcries to pressure lawmakers into taking actions that would ultimately benefit corporate interests rather

than ordinary citizens With billions of dollars at play these lobbying dynasties enshrined in Washington a pro business consensus that would guide the country's political leaders Democrats and Republicans alike A good lobbyist could ghostwrite a bill or even secretly kill a piece of legislation supported by the president both houses of Congress and a majority of Americans Yet nothing lasts forever Amid a populist backlash to the soaring inequality these influence peddlers helped usher in DC's pro business alliance suddenly began to fray And while the lobbying establishment would continue to invent new ways to influence Washington the men who'd built K Street would soon find themselves under legal scrutiny on the verge of financial collapse or worse One would turn up dead behind the eighteenth green of an exclusive golf club with a 1 500 bottle of wine at his feet and bullet in his head An absorbing The Atlantic engrossing and meticulously researched tale The Guardian brought to life with novelistic detail and considerable narrative skill The New York Times The Wolves of K Street is essential reading for anyone looking to understand how corporate interests are undermining American democracy
