Murder At The Presidents Door:

Murder at the President's Door Elliott Roosevelt, 2011-04-01 Murder at the President's Door is the 20th installment in the venerable but still very spry Eleanor Roosevelt mystery series written by no less than the First Lady's own son. In her most intriguing adventure to date the First Lady traces an assassination attempt to the depths of Washington D.C.'s underworld. It is 1933 and the President and First Lady have just settled into the White House to face a nation in the depths of a depression and a world on the brink of war. When the body of a White House police officer is discovered at the foot of the president's bedroom door Eleanor knows that the crime must be solved without attracting the attention of the FBI or the press. So with signature determination the First Lady enlists the confidential aid of District of Columbia Lieutenant Edward Kennelly and trusted Secret Service agent Stanislaw Sxycgiel to help her investigate. Eleanor soon realizes someone may have been trying to assassinate the president but it is unclear why after stabbing the officer the suspect didn't crash into the bedroom and finish the job. Furthermore it appears the killer knew the White House and its routines sufficiently well leading the First Lady to question the motives of her White House staffers and grow wary of she and the President's new surroundings. As the intrepid and charming Mrs. Roosevelt engages in her latest bit of Hawkshawing readers are treated to all the historical recreation and rich storytelling that have become hallmarks of the series.
