Ferrer,2022-06-28 Proporcionado por el ed In 1961 at the height of the Cold War the United States severed diplomatic relations with Cuba where a momentous revolution had taken power three years earlier For more than half a century the stand off continued through the tenure of ten American presidents and the fifty year rule of Fidel Castro His death in 2016 and the retirement of his brother and successor Ra l Castro in 2021 have spurred questions about the country s future
