**Violent Crime in North America** Louis A. Knafla, 2003-12-30 This the nineteenth volume of Criminal Justice History features seven original essays on the history of violent crimes and punishments in North America in the nineteenth and twentieth centuries including a major bibliography on capital punishment and the death penalty in the United States The volume also contains a long book review essay on eleven books dealing with aspects of global terrorism and reviews of eleven individual major works on the history and ideology of crime and criminal justice that have appeared from the end of the 1990s The introduction outlines the issues and themes that are contained in the essays and reviews As in the earlier volumes in this series a comprehensive index identifies all subjects names and places in the volume

**Introduction to Deaths in 2023** Gilad James, PhD, The article Introduction to Deaths in 2023 is a commissioned report that investigates the various causes of death that are predicted to occur in the year 2023 The report analyses data from past years to make projections on future trends The main causes of death identified in 2023 are cancer heart disease respiratory illness diabetes and accidents The report attributes the high mortality rate from cancer and heart disease to an aging global population coupled with an increase in smoking and a sedentary lifestyle The rise in respiratory illness is attributed to pollution and poor air quality The report emphasizes the need for lifestyle changes clean energy sources and policies that promote a healthy lifestyle to reduce the incidence of disease The article raises significant challenges that health practitioners policymakers and individuals face in tackling the problem of mortality The report underscores the need for proactive measures to combat smoking pollution and unhealthy lifestyles It also highlights the importance of early detection and treatment of chronic diseases such as cancer and heart disease to improve health outcomes The report concludes by urging governments and individuals to work together to bring about social change in areas such as diet exercise and smoking It highlights the importance of sustained efforts to ensure that people can lead healthy lives and avoid unnecessary deaths

*The Handbook of Homicide* Fiona Brookman, Edward R. Maguire, Mike Maguire, 2017-03-29 The Handbook of Homicide

presents a series of original essays by renowned authors from around the world reflecting the latest scholarship on the nature causes and patterns of homicide as well as policies and practices for its investigation and prevention Includes comprehensive coverage of the complex phenomenon of homicide and its various forms Features original contributions from an esteemed team of global experts and scholars with chapters highlighting the authors original research Represents the first internationally focused collection of the latest research on the nature and causes of homicide Covers both the causes and dynamics of homicide as well as policies and practices intended to address it *The North American Review* James Russell Lowell,1929 Vols 227 230 no 2 include Stuff and nonsense v 5 6 no 8 Jan 1929 Aug 1930 *American Homicide* Randolph Roth,2010-02-15 Roth charts changes in the character and incidence of homicide in the U S from colonial times to the present He examines the four factors that explain why homicide rates have gone up and down in the U S and in other Western nations over the past four centuries and why the U S is today the most homicidal affluent nation **North America in Question** Jeffrey McKelvey Ayres,Laura Macdonald,2012-01-01 Can North America survive as a region in light of the political turbulence provoked by the global economic crisis Or have regional integration and collaboration reached a plateau beyond which disintegration is likely In *North America in Question* leading analysts from Canada the United States and Mexico provide theoretically innovative and rich empirical reflections on current challenges sweeping the continent and on the faltering political support for North American regionalism This collection begins by reviewing the recent trajectories and events that have undermined North America s trilateral relationship then addresses concerns that go beyond NAFTA and economic issues including labour immigration energy the environment quality of citizenship borders women s and civil society struggles and democratic deficits Although demonstrating that many informal dimensions of North American integration continue to flourish the contributors assess whether the future will hold greater economic instability security crises and emerging bilateral relationships **Sexual Murder** Louis B. Schlesinger,2021-03-22 *Sexual Murder Catathymic and Compulsive Homicides* is the culmination of the author s 45 years of experience with and studying sexually motivated homicide Sexual murders are generally of two types catathymic and compulsive Catathymic homicides are caused by a breakthrough of underlying sexual conflicts They can be unplanned explosive acute attacks or planned murders stemming from a chronic obsession with or disturbed attachment to the victim In compulsive homicides a fusion of sex and aggression results in a powerful internal drive which pushes the offender to seek out victims to kill and the killing itself is sexually gratifying These murders also may be planned or unplanned In compulsive homicides that are unplanned the urge breaks through and disrupts the offender s controls when a victim of opportunity crosses his path The compulsive offender who plans his crimes often eludes law enforcement and as a result he can have multiple serial victims over extended periods of time Both forms of sexual murder the catathymic and the compulsive are presented in this volume from a clinical descriptive perspective encompassing case studies with analysis Recent advances in empirical research in sexual murder including

findings from the joint research project between John Jay College of Criminal Justice and the FBI Behavioral Analysis Unit in Quantico has published many important studies These include such topics as necrophilia foreign object insertions in sexual homicide ritual and signature and temporal patterns in serial sexual homicide mass murder crime scene staging in homicide and undoing symbolic reversal at homicide scenes All such research will be included and incorporate into this fully updated Second Edition including approximately fifty new clinical case studies
