Murder In The Garden:

Murder in the Garden Jennie Melville, 1927 **Summer Garden Murder** Ann Ripley, 2012-06-06 The star of public television's top garden show Louise Eldridge is something of a celebrity. But when a dead body is planted in her backyard she's in for notoriety of a different kind. Summer is the season for disquiet in Louise's Sylvan Valley cul-de-sac and the tradition continues when an uninvited guest crashes a neighborhood soiree. Five years ago Louise identified Peter Hoffman as the mulch murderer. Now he's been released from a Virginia state mental institution. Leaving the party doesn't put enough distance between Louise and Hoffman, who has a thing or two to say to her and actually has the nerve to follow her home to air his grievances. Shaken by the incident, Louise and family decide to take a little R. Hilde, an apprentice gardener with something to hide, and Hoffman's own widow, whose relationship with her husband wasn't exactly a bed of roses. But before Louise can make any serious headway, another murder victim turns up felled by a garden claw covered in Louise's fingerprints. Now, with more than just her television career in jeopardy, Louise will have to dig up some serious clues to bring a killer to light before another person winds up as fertilizer.

The Garden Club Murder Amy Patricia Meade, 2019
Literary chef Tish Tarragon is preparing her English Secret Garden-themed luncheon for Coletton Creek's annual garden club awards, but two days before the event one of the competitors is found dead in his pristine garden. Bodies in the Back Garden - True Stories of Brutal Murders Close to Home Nigel Cawthorne, 2014-08-07 There is one problem which every killer must face: how to get rid of the body. Murderer Dennis Nilsen famously cooked the corpses of his victims and flushed them down the toilet, only to be caught when the sewers blocked up. But his first 12 victims were disposed of in the back garden of his previous home. Fred and Rosemary West buried the bodies of three of their victims in the back garden. Milwaukee cannibal Jeffrey Dahmer began his murderous career scattering human remains in the backyard of his parents' home in Bath, Ohio. Convicted killer Peter Tobin went back on trial after two more bodies were found in the back garden of his former home. And grisly granny Dorothea Puente murdered lodgers at her boarding house in Sacramento, California, dispatching them to the backyard while continuing to cash their Social Security checks. This book explores these and many other cases that suggest that whatever the motive for murder, the back garden is a convenient place to dump the corpse.

Vicki Lane, author of the Elizabeth Goodweather Appalachian Mysteries, *The Garden Murder Case (a Philo Vance Detective Story)* S. S. Van Dine, 2016-01-18. This early work by S. S. Van Dine was originally published in 1935 and we are now republishing it with a brand new introduction. The Garden Murder Case is one of Van Dine's novels of crime and mystery. S. S. Van Dine was born Willard Huntington Wright in Charlottesville, Virginia, in 1888. He attended St. Vincent College, Pomona College, and Harvard University but failed to graduate, leaving to cultivate contacts he had made in the literary world. At the age of twenty-one, Wright began his professional writing career as literary editor of the Los Angeles Times. In 1926, Wright published his first S. S. Van Dine novel, The Benson Murder Case. Wright went on to write eleven more mysteries. The first few books about his upper-class amateur sleuth, Philo Vance, were so popular that Wright became wealthy for the first time in his life. His later books declined in popularity as the reading public's tastes in mystery fiction changed, but during the late twenties and early thirties, his work was very successful.
