Murder In The Kibbutz:

Murder on a Kibbutz Batya Gur, 1995-09-29 In Gur's third mystery clever charming Israeli investigator Michael Ohayon whom readers fell in love with in *Saturday Morning Murder* and *Literary Murder* must once again put his skills to work to solve a murder this time within the complex closed society of a kibbutz אברהם אסף Alfred Shmueli, 1993 *Murder on a Kibbutz* Batya Gur, 1994 In a kibbutz in Israel chief superintendent Michael Ohayon of the Serious Crime Unit investigates the murder of a beautiful woman killed by lethal insecticide In part mystery in part life on a kibbutz By the author of *Literary Murder* Fatal Fictions Alison L. LaCroix, Richard H. McAdams, Martha Craven Nussbaum, 2017 Writers of fiction have always confronted topics of crime and punishment This age old fascination with crime on the part of both authors and readers is not surprising given that criminal justice touches on so many political and psychological themes essential to literature and comes equipped with a trial process that contains its own dramatic structure This volume explores this profound and enduring literary engagement with crime investigation and criminal justice The collected essays explore three themes that connect the world of law with that of fiction First defining and punishing crime is one of the fundamental purposes of government along with the protection of victims by the prevention of crime And yet criminal punishment remains one of the most abused and terrifying forms of political power Second crime is intensely psychological and therefore an important subject by which a writer can develop and explore character A third connection between criminal justice and fiction involves the inherently dramatic nature of the legal system itself particularly the trial Moreover the ongoing public conversation about crime and punishment suggests that the time is ripe for collaboration between law and literature in this troubled domain The essays in this collection span a wide array of genres including tragic drama science fiction lyric poetry autobiography and mystery novels The works discussed include works as old as fifth century BCE Greek tragedy and as recent as contemporary novels memoirs and mystery novels The cumulative result is arresting there are killer wives and crimes against trees a government bureaucrat who sends political adversaries to their death for treason before falling to the same fate himself a convicted murderer who doesn't die when hanged a psychopathological collector whose quite sane kidnapping victim nevertheless also collects Justice Thomas reading and misreading of *Bigger* Thomas a man who forgives his son's murderer and one who cannot forgive his wife's non-existent adultery fictional detectives who draw on historical analysis to solve murders These essays begin a conversation and they illustrate the great depth and power of crime in literature **Places for Dead Bodies** Gary J. Hausladen, 2010-01-01 From Tony Hillerman's Navajo Southwest to Martin Cruz Smith's Moscow an exotic vividly described locale is one of the great pleasures of many murder mysteries Indeed the sense of place no less than the compelling character of the detective is often what keeps authors writing and readers reading a particular series of mystery novels This book investigates how police procedural murder mysteries have been used to convey a sense of place Gary Hausladen delves into the work of more than thirty authors including Tony Hillerman Martin

Cruz Smith James Lee Burke David Lindsey P D James and many others Arranging the authors by their region of choice he discusses police procedurals set in America the United Kingdom and Ireland Europe Moscow Asia and selected locales in other parts of the world as well as in historical places ranging from the Roman Empire to turn of the century Cairo

One Hundred Years of Kibbutz Life Michal Palgi, 2017-07-05 One Hundred Years of Kibbutz Life shows that the kibbutz thrives and describes changes that have occurred within Israel's kibbutz community The kibbutz population has increased in terms of demography and capital a point frequently overlooked in debates regarding viability Like the kibbutz founders who established a society grounded in certain principles and meeting certain goals kibbutz newcomers seek to build an idealistic society with specific social and economic arrangements The years 1909-2009 marked a century of kibbutz life one hundred years of achievements challenges and creative changes The impact of kibbutzim on Israeli society has been substantial but is now waning While kibbutzim have become less relevant in Israeli policy and politics they are increasingly engaged in questions of environmentalism education and profitable industries Contributors discuss the hopes goals frustrations and disappointments of the kibbutz movement They also examine reform efforts intended to revitalize the institution and reinforce fading kibbutz ideals Such solutions are not always popular among kibbutz members but they demonstrate that the kibbutz is an adaptive and flexible social organization The various studies presented in this book clarify the dynamism of the kibbutz institution and raises questions about the ways in which residential arrangements throughout the world manage change

Imagining the Kibbutz Ranen Omer-Sherman, 2015-06-19 In *Imagining the Kibbutz* Ranen Omer Sherman explores the literary and cinematic representations of the socialist experiment that became history's most successfully sustained communal enterprise Inspired in part by the kibbutz movement's recent commemoration of its centennial this study responds to a significant gap in scholarship Numerous sociological and economic studies have appeared but no book length study has ever addressed the tremendous range of critically imaginative portrayals of the kibbutz This diachronic study addresses novels short fiction memoirs and cinematic portrayals of the kibbutz by both kibbutz insiders including those born and raised there as well as those who joined the kibbutz as immigrants or migrants from the city and outsiders For these artists the kibbutz is a crucial microcosm for understanding Israeli values and identity The central drama explored in their works is the monumental tension between the individual and the collective between individual aspiration and ideological rigor between self sacrifice and self fulfillment Portraying kibbutz life honestly demands retaining at least two oppositional things in mind at once the absolute necessity of euphoric dreaming and the mellowing inevitability of disillusionment As such these artists' imaginative witnessing of the fraught relation between the collective and the citizen soldier is the story of Israel itself

Colonizing Palestine Areej Sabbagh-Khoury, 2023-08-22 Among the most progressive of Zionist settlement movements Hashomer Hatzair proclaimed a brotherly stance on Zionist Palestinian relations Until the tumultuous end of the British Mandate movement settlers voiced support for a binational Jewish Arab state and officially

opposed mass displacement of Palestinians But Hashomer Hatzair colonies were also active participants in the process that ultimately transformed large portions of Palestine into sovereign Jewish territory Areej Sabbagh Khoury investigates this ostensible dissonance tracing how three colonies gained control of land and their engagement with Palestinian inhabitants on the edges of the Jezreel Valley Marj Ibn Amer Based on extensive empirical research in local colony and national archives Colonizing Palestine offers a microhistory of frontier interactions between Zionist settlers and indigenous Palestinians within the British imperial field Even as left wing kibbutzim of Hashomer Hatzair helped lay the groundwork for settler colonial Jewish sovereignty its settlers did not conceal the prior existence of the Palestinian villages and their displacement which became the subject of enduring debate in the kibbutzim Juxtaposing history and memory examining events in their actual time and as they were later remembered Sabbagh Khoury demonstrates that the dispossession and replacement of the Palestinians in 1948 was not a singular catastrophe but rather a protracted process instituted over decades Colonizing Palestine traces social and political mechanisms by which forms of hierarchy violence and supremacy that endure into the present were gradually created

Murder Duet Batya Gur,2000 Detective Michael Ohayon investigates two murders in the world of classical music in Jerusalem The victims are two musicians a father and son and the crime is connected to a recently discovered requiem by Vivaldi By the author of *Murder on a Kibbutz*

Hybrid Warfare under International Law Stuart Casey-Maslen,2024-09-05 This book addresses the regulation of hybrid warfare under relevant branches of international law beginning with the law on inter state use of force jus ad bellum Firstly the book assesses the extent to which forms of hybrid warfare comply with or violate international humanitarian law the law of armed conflict It then looks at law enforcement action in response to hybrid warfare both on land and on the high seas and addresses hybrid warfare from the perspective of international counterterrorism law It goes on to tackle the constraints applied to hybrid warfare under international human rights law and looks at how hybrid warfare could be constrained under disarmament law The final two chapters look at accountability for the conduct of hybrid warfare concluding with the question can we move towards a less fragmented set of international legal rules that will govern hybrid warfare in the future

New Israeli Horror Olga Gershenson,2023-11-10 Before 2010 there were no Israeli horror films The next decade saw a blossoming of the genre by young Israeli filmmakers *New Israeli Horror* is the first book to tell their story Through in depth analysis engaging storytelling and interviews with the filmmakers Olga Gershenson explores their films from inception to reception

The

Essential Mystery Lists Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the best of lists by more than fifty of the most important contributors to the genre. Mr Sobin spent more than two decades gathering the data and lists in this volume; much of that time he used to recheck the accuracy of the material he had collected. Several of the best of lists appear here for the first time in book form. Several others have been unavailable for a number of years. Of special note are Anthony Boucher's Best Picks for the Year. Boucher, one of the major mystery reviewers of all time, reviewed for The San Francisco Chronicle, Ellery Queen Mystery Magazine, and The New York Times. From these resources Mr Sobin created Boucher's Best and Important Lists to Consider, lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968. This is a great resource for all mystery readers and collectors. Winner of the 2008 Macavity Awards for Best Mystery Nonfiction.

The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time, Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study. This volume examines canonical Jewish writers, less well-known authors of Yiddish and Hebrew, and emerging Israeli writers. It includes entries on figures as diverse as Marcel Proust, Franz Kafka, Tristan Tzara, Eugene Ionesco, Harold Pinter, Tom Stoppard, Arthur Miller, Saul Bellow, Nadine Gordimer, and Woody Allen. It contains introductory essays on Jewish American writing, Holocaust literature, and memoirs; Yiddish writing; and Anglo-Jewish literature. It provides a chronology of twentieth-century Jewish writers. Compiled by expert contributors, this book contains over 330 entries on individual authors, each consisting of a biography, a list of selected publications, a scholarly essay on their work, and suggestions for further reading.

A Touch of Genius Dvir Abramovich, 2018-09-01 These brilliant writers, through their works, never fail to exert their power in spades and soar to heights of grace and excellence in confronting the great existential dramas of life. In a collection of passionate, sparkling essays, one of Australia's leading literary critics presents a fresh and exciting ode to Jewish fiction. Rescuing some brilliant texts from the dustbin of oblivion or from culture's short memory, Abramovich, writing with affection and authority, offers gems of critical appreciation and in-depth discussion of masterpieces and iconic authors such as Nobel Prize Winner S. Y. Agnon, Israel's most celebrated living author, Amos Oz, the mesmerising Paul Celan, the incomparable David Grossman, the extraordinary Susan Fromberg Schaeffer, the Israeli Agatha Christie, and the early pioneers of Hebrew letters. Sharing his lifetime joy of reading and engagement with the written word and showcasing his scholarly erudition, Abramovich effortlessly muses on the nature of writing and takes readers on an intellectual and philosophical journey through grand thematic landscapes such as memory, the Holocaust, identity, man's relationship with God, imagination, family, marriage, death, and suffering. A celebration and a tribute to old favourites, this delightful volume of reflections and meditations is sure to ignite a fire in discerning readers' minds and motivate them to go back to those classics with a renewed sense of excitement. Certain to become a valuable and entertaining

guide for anyone who loves Israeli and Jewish fiction this work will provide inspiration and reason aplenty to turn off the computer or TV and start reading again **Mediterranean Modernism** Adam J. Goldwyn, Renée M. Silverman, 2016-08-19 This book explores how Modernist movements all across the Mediterranean basin differed from those of other regions The chapters show how the political and economic turmoil of a period marked by world war revolution decolonization nationalism and the rapid advance of new technologies compelled artists writers and other intellectuals to create a new hybrid Mediterranean Modernist aesthetic which sought to balance the tensions between local and foreign tradition and innovation and colonial and postcolonial **Gumshoes** Mitzi M. Brunsdale, 2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective s investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives *Mediterranean Crime Fiction* Barbara Pezzotti, 2023-11-23 By exploring the transcultural nature of Mediterranean crime fiction Barbara Pezzotti advocates for a regional reading of the genre *Back to the Future* Dvir Abramovich, 2010 In this ambitious new study Dvir Abramovich takes for his subject hitherto marginalized but certainly not marginal works of recent Israeli fiction and makes not only the works themselves but the cultural context in which they appeared interesting and accessible to the general reader What is fascinating in his approach is how Abramovich traces the acceptance of such disparate ethnic and genre fictions into mainstream modern Hebrew literature back to historical events and social phenomena in the early years of Israeli statehood The aim of Abramovich s excellent study is to highlight the social context as well as the artistic achievement of these voices of recent Israeli fiction and to make those insights available to English language readers Provided by publisher
