The 11th Hour Prophecies: Mysterious Predictions and the Race Against Time Alvaro Roberson, In a world teetering on the edge of unprecedented change hidden prophecies from the most secluded corners of Earth are finally coming to light From snow capped Himalayan monasteries to the secret caves of Mount Athos from

indigenous elders sacred circles to the hushed chambers of desert mystics a singular message emerges humanity has entered its 11th hour Alvaro Roberson after spending fifteen years gaining the trust of the world's most reclusive spiritual communities brings together for the first time a collection of eerily similar predictions that transcend cultural and geographical boundaries These aren't vague distant forecasts they're specific warnings about our immediate future many already unfolding before our eyes What makes shamans in the Amazon share the same urgent message as Buddhist monks in Japan Why do Aboriginal dreamwalkers echo the prophecies of Sufi mystics half a world away And most importantly why do they all point to 2025 2030 as humanity's moment of greatest transformation Inside these pages you'll discover Never before published predictions from isolated spiritual communities Startling correlations between ancient prophecies and current scientific discoveries Specific timeframes for imminent global changes Practical guidance for navigating the prophesied transformations Sacred practices preserved for this exact moment in human history But this isn't just another book about prophecies it's a wake up call encoded in the wisdom of ages As you turn these pages you'll find yourself questioning everything you thought you knew about humanity's past present and possible futures Already readers report strange synchronicities and profound insights while engaging with this material Some describe spontaneous awakening experiences others find themselves drawn to locations mentioned in the prophecies This book seems to serve as more than just a collection of predictions it appears to be a trigger for personal transformation The 11th Hour Prophecies reads like a spiritual thriller yet every word is drawn from authentic encounters and authorized transmissions of sacred knowledge Roberson's firsthand accounts of his journeys and initiations weave together with the prophecies to create an immersive experience that will leave you seeing the world and our current moment in an entirely new light Whether you're a spiritual seeker a student of prophecy or simply someone concerned about humanity's future this book offers unprecedented access to wisdom that has been safeguarded for centuries until now The gatekeepers of these prophecies all agree the time for keeping these predictions secret has passed The moment to share them is here As global events accelerate and transform our world daily this book serves as both a warning and a guide for what lies ahead The question isn't just what these prophecies predict it's why they're surfacing now and what role each of us plays in the unfolding of their message Don't just read about prophecy become part of its fulfillment The 11th hour is upon us What happens next may depend on who receives these messages and how we choose to act upon them A masterwork of spiritual investigation that reads like a cross between Indiana Jones and a quantum physics textbook The Spiritual Review Roberson has achieved the impossible gathering and connecting prophetic traditions that have never before been shared outside their original communities Global Mystery Magazine Not since the discovery of the Dead Sea Scrolls has such a significant collection of spiritual predictions come to light Ancient Wisdom Quarterly Prepare to question what you thought you knew Prepare to remember what your soul never forgot 2012 and the Rise of the Secret Sect ,2009 Nostradamus Francis King,1993 **The Prophecies of Nostradamus and the**

Mikhail Gorbachev Is Gog and Magog, the Biblical Antichrist Randolph Wright, 2010-04-30 This book outlines prophecies that Gorbachev has fulfilled according to biblical scriptures In the authors view he has fulfilled more than ten prophecies related to the antichrist Did Gorbachev plan the coup de tat in 1991 in order to fulfill biblical prophecies A coming showdown between Russia Iran vs America Israel that will lead to WWII The Gorbachev Osama Bin Laden connection Proof that we are living in the final days before the second coming of Jesus Christ

[End Times to 2019](#) David Montaigne, 2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren t meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made

preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more
