Sherwin, 2018-12-01 What does it mean to love What are the traits of character that support love's activity How does the economy of grace the mission of Christ and the action of the Holy Spirit elevate and transform human love virtue and the desire for happiness In On Love and Virtue Theological Essays the eminent Dominican theologian Michael Sherwin considers how the Catholic tradition has addressed

these questions Fr Sherwin places this tradition in dialogue with contemporary questions Taking St Thomas Aquinas as his primary guide Fr Sherwin reads St Thomas in light of his biblical and patristic sources especially St Augustine and engages contemporary developments in philosophy in order to deepen our understanding of how grace both heals and elevates human nature Along the way Fr Sherwin considers the vocation of the theologian and the biblical and patristic understanding of the Christian call to moral apprenticeship and friendship with God
