Only the Dead Know Brooklyn Thomas Boyle,1986 Only the Dead Know Brooklyn Thomas Boyle,1986-12-02

The American Police Novel Leroy Lad Panek,2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor

Gentrification in Contemporary Fiction James Peacock,2025-05-15 Focusing on literary representations of gentrification this book analyses twenty first century anglophone novels by authors from the United States Canada India the United Kingdom and Australia Literary texts so adept at revealing the experiences and emotions of individuals within communities are also important vehicles for exploring the complex relationships between individuals and the wider social economic and political forces that lead to urban transformations including gentrification These complexities are best revealed this book argues by proceeding from a forensic examination of characters domestic buildings and spaces Examining novels from a broad range of writers including Zadie Smith Jonathan Lethem Aravind Adiga Michael Chabon and Irvine Welsh this book makes a powerful case for the importance of literature in helping to understand the lived experience of gentrification
