Rodney's Wife Richard Nelson, 2015-04-10 A full emotional geography of a family Seemingly light conversation scrapes the skins of the characters in this sharply etched study of dislocation loneliness and sexual betrayal Ben Brantley *The New York Times* Nelson is a master of the quiet detail of the oblique rhythm that transforms emotional diffidence into fascinating character Linda Winer *Newsday* The early scenes proceed with the closely observed simplicity of Chekhov whereas the later more wrenching moments evoke the eloquent bitterness of Albee David Cote *TimeOut New York* A new work by leading American playwright Richard Nelson who for more than 25 years has written prolifically and with fine detail on the perplexities of everyday living In *Rodney's Wife* a fading American actor in Rome for the filming of a 1960s spaghetti Western gathers with family and friends at a rented villa Over the course of one booze soaked summer night jealousies and secrets are revealed that crumble the foundations of their relationships Inspired by Euripides the play is a tragedy of exiles who continue to need each other even as they push away Richard Nelson won Britain's Olivier Award for Best Play for *Goodnight Children Everywhere* and the Tony Award for Best Book for his musical *James Joyce's The Dead* His plays have been widely produced in the U S and Great Britain He is an Honorary Associate Artist of the Royal Shakespeare Company and Chair of the Playwriting Department at the Yale School of Drama

The Sycamore Centennial Parade (Part I) C.S. McGrail, 2025-03-27 In the spring of 1978 and Poodle and his best friend the Milkman couldn't have been any happier about being laid off if they had planned it themselves But before either man could beer burp the alphabet they were scooped up and put to work by Poodle's wife doing cold call sales for the upcoming centennial parade Cold call sales are serious work But when did work ever corral either man's keen sense of distraction Milk quickly finds himself all time pitcher at an orphanage kickball game Not to be outdone payphone punching Poodle gets himself arrested while trying to buy a band aid And they still have fishing left on their agenda However not all is

Congress. House. Committee on Appropriations,1972 *Now a Major Motion Picture* Peter Wise,2025-11-28 What if Hollywood finally called only to hand you the role of lifetime victim Rodney Mullins is a failed screenwriter with a stack of rejections and few shreds of hope Then Oscar winning director Marc Kessler offers him the job of a lifetime shadow the great man chronicle his films and maybe just maybe Rodney will see his own script reach the screen Once on his roller coaster ride Rodney s confidence grows but attempts to have an influence on what s happening around him often result in unintended awkward and sometimes hilarious consequences But working with Kessler is no dream He is capricious sometimes brutal and humiliating sometimes a mate encouraging and all is complicated by Gloria Kessler s dazzling wife who Rodney is totally smitten by Does he really believe he can be a better partner to her than Marc Kessler Rodney is caught between ambition obsession and betrayal in a world where everyone steals something ideas hearts or lives When the credits finally roll will Rodney discover he s written his own comeback or his own ruin *A Toe in the Water* Derek Benfield,1991 Seeking peace and tranquility Gerald goes to spend a few days in a health farm presided over by the highly moral Mr Potter But his hopes are soon dashed by the arrival of his secretary declaring her undying passion for him his daughter intent upon naughty assignations with her boyfriend and his wife 3 women 3 men **The Way It Is: the Beginning or the End** Christina L. Hart,2019-07-09 In this book you would think you have the ultimate complementation of Donald Goines Zane and the mild Terry McMillian The book is about a family struggling to balance street life love and secrets that will eventually surface The main thing is that when the truth is revealed does it instantly destroy the family or will they slowly fall apart The story begins with two brothers who are very close to each other They are like twins but are also different in their own manner as well The streets are steadily calling out to them but so are their women The women that they connect with slowly change some of their negative views on life to a more balanced and positive way However is it going to be too late for them Will the women instead become more in tuned with the world of crime and violence than become someone who brings about change Is it the beginning or the end of what they know life to be *The Season Made for Joy* Barbara Blackburn Leader,1927 Girlhood at War Vjosa Musliu,2025-09-04 This book tells the true story of a young girl growing up during the Kosovo war and its immediate aftermath following Kosovo s liberation by NATO troops in 1999 Through her embodied experiences the book exposes the tangible and everyday acts and events of the war providing brutal insight into the impact of war and the politics of subjugation At the outset of the book in 1998 Vjosa s

view of the world as a young child is organized in clear dichotomies the good Albanians and the evil Serbs the brutal Serbian military shelling Albanian civilians and the angelic NATO airplanes bombing Serbian military sites This Manichean worldview starts to unravel after Vjosa and her family are chased away from their home by the Serbian military and moved to the suburbs There surrounded by mostly poor and uneducated fellow Albanians she gradually discovers the layers of her family's socio economic privileges Though unequipped with the language to verbalize it she is tormented by the idea that her family's comparatively higher socio economic status is the reason why they are spared by the Serbian military When the war ends in 1999 and the NATO tanks fill the narrow streets of her hometown as Serbian military tanks leave Vjosa believes she received her own happily ever after She celebrates her thirteenth birthday happily wearing a US military uniform holding an unbearably heavy unloaded gun as she becomes the favorite interpreter of the American NATO troops She spends several months after the war occasionally translating between angry Albanians who now seek revenge against Serbs and NATO troops who insist on not picking sides showcasing the impossibility of re building Kosovo with both sides'ism becoming the modus operandi of the international intervening structures
