language teaching and learning in Asian contexts This book offers many papers and discussions of interest to teachers language professionals scholars and administrators Its chapters explore current topics in Language Arts research including trends in the rapprochement of stylistics and linguistics teaching approaches and learning outcomes At the same time they offer diverse theoretical and methodological approaches of interest to the practitioner and policy maker as well as the researcher The value of this volume lies particularly in strengthening the theoretical and methodological foundations of Language Arts The use of literature and the arts in humanist education has a long history within Europe being traditionally appreciated for its ability to transform leaders instill finer sensibilities and question social ills In its postcolonial incarnations as the traditional subject areas were informed by critical and linguistic theories language arts subject areas were less often used as they were understood to offer opportunities to analyse their functions as apology for leaders coopting the young and pacifying dissent but less often used to teach second language skills Language Arts curricula arising since the 1980s have increasingly embraced authentic voices styles and genres Contemporary Language Arts curricula use literature to teach reading based and communication skills in conjunction with critical and creative thinking The movement of English language education beyond native English shores has placed Language Arts into a World Englishes frame and therefore its curricula have included the teaching ethics civics and intercultural sensitivity The explosion of media and digital communications of the 1990s led to the adoption of media literacy as a crucial Language Arts skill As digital innovations continue to impact the teaching of English Language Arts has adopted multiliteracies These developments are represented in the papers included in this volume

The Storyteller's Sourcebook Margaret Read MacDonald, Brian W. Sturm, 2001 The first edition provides descriptions of folktales and references to more than 700 published sources of folktales The new edition covers folktales from 1983 1999 Both editions include thorough indexing by subject motif title ethnic group and country of origin and a comprehensive bibliography

The 100 Most Popular Young Adult Authors Bernard A. Drew, 1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors e g Mark Twain Louisa May Alcott J R R Tolkien who are still widely read by teens It also covers some authors known primarily for adult literature e g Stephen King and some who write mainly for middle readers but are also popular among young adults e g Betsy Byars An affordable alternative to multivolume publications this book makes a great collection development tool and resource for author studies It will also help readers find other books by and about their favorite writers

Learning in Living Color Alora J. Valdez, 1999 Providing a wealth of practical suggestions this book helps teachers use children s trade literature to incorporate multicultural education into a primary grades curriculum The book s first section uses research and theory to address the underlying assumptions of both multicultural and literacy education and offers practical suggestions for implementing effective programs The second section provides integrated language arts activities The third and final section offers an up to date annotated bibliography of quality children s literature which helps students recognize and avoid cultural stereotyping understand the perspectives of

others cultures as well as their own and begin their involvement in important social issues such as helping the elderly and protecting the environment For any teacher or educator **The Elementary School Library Collection** ,1998

Elementary School Library Collection Linda L. Homa,Ann L. Schreck,Maureen Hoebener,1998 Children's Books in Children's Hands Charles A. Temple,1998 Contents Part 1 Understanding Literature and the Child Reader Part 2 Exploring the Genres of Children s Literature Part 3 Creating the Literature Based Classroom *Literature & the Learner* Frances S. Goforth,1998 As a genre text not an anthology this text teaches students about literature forms and discusses ways of using literature in the classroom It is used to give students the background they need to evaluate select and use children s literature in their own teaching A database of current literature is provided with the text and will be updated annually

Multicultural Children's Literature Beth Beutler Lind,1996 The over 1 100 works in this annotated bibliography cover a wide range of contemporary children s literature both fiction and nonfiction in which the protagonists are from four prominent ethnic groups African Americans Asian Americans Hispanic Americans and Native Americans Arranged first by ethnic group and then by appropriate grade level K 3 or 4 8 each entry includes a one to three sentence annotation in addition to complete bibliographic information A directory of children s publishers is also provided along with selected bibliographies of curricular sources and informational reading and research sources for teachers *Cultural Journeys* Pamela S. Gates,Dianne L. Hall Mark,2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature However standards and criteria to teach and promote active discussion about this literature are sparse Cultural Journeys introduces pre service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity More than just an annotated list of books for children Pamela S Gates and Dianne L Hall Mark provide systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K 8 At the same time the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods With the example unit plans and extensive annotated bibliography this book is a valuable resource that pre service teachers will utilize when they begin teaching and in service teachers will reference repeatedly during their planning periods **Bulletin of the Center for Children's Books** University of Chicago.
