States, Europe and the Fate of the World in Its Looking Glass Jeff J. Brown, 2022-09-04 Praise for 44 Days What if Alexis de Tocqueville were fluent in Mandarin and traveling through China by backpack and bullet train He would record every encounter and analyze China's national character with remarkable lucidity He would produce a book full of telling insights that functioned like a five dimensional chess game It would be a guide book travel companion memoir political history and plain old pleasure for someone who likes their prose with pith in it Oklahoma's latter day Tocqueville Jeff J Brown is one hell of a good story teller and traveling with him deep into China is an adventure not to be missed Thomas Bass Author of *The Spy Who Loved Us* Vietnamera Camping with the Prince Reinventing the Future and *The Eudaemonic Pie* 44 Days is a delightful romp through a changing China and Jeff Brown is an excellent guide John Pomfret author of *Chinese Lessons* *Five Classmates* and *the Story of the New China* 44 Days is a fascinating exploration of the people of China and the land in which they live Brown is very knowledgeable of China's government and the country's millennia old history He obviously enjoys not just his travels but the people he meets While he journeys we journey with him Jeff Brown is an intelligent articulate and entertaining writer and 44 Days is absolutely enthralling I highly recommend it Mick Winter author of *Cuba for the Misinformed* Facts from the Forbidden Island Much more than just a travelogue 44 Days is an intimate dialogue with China's peoples their histories regions economies cultures work foods and future Unabashedly iconoclastic and a contrarian's delight Jeff brings down many a golden calf as he writes as few travelers do putting China's relations and rapid arc of development in perspective with the United States and Europe making 44 Days a fascinating and unique approach to today's critically important world affairs Traveling over 12 000km by train and bus walking hundreds more while climbing a few of those in vertical ascent join Jeff as he reports from the ground up on the greatest socioeconomic transformation ever seen 21st century China our planet's soon to be greatest superpower How will Baba Beijing China's central government behave while honoring its 2 200 year old Heavenly Mandate for 20% of the human race After 500 years of being masters of the world what will the great historical Industrial Age powers do in response adapt or lash out All of our standards of living and lifestyles even our species survival depend on these soon to be events Funny enlightening with an eye for the right details 44 Days provides unique perspectives to these new century issues It will keep you amused and thinking as Jeff takes you traveling in across and over five wild and wooly Western China provinces face to face with the local people Includes 125 photos maps and charts Read less

The Long March, 1935 Dick Wilson, 1971 *Red Star over China* Edgar Snow, 2018-04-01 A historical classic that brings Mao Tse tung the Long March and the Chinese revolution to vivid life Foreign Affairs Journalist Edgar Snow was the first Westerner to meet Mao Tse tung and the Chinese Communist leaders in 1936 and out of his up close experience came this historical account one of the most important books about the remarkable events that would shape not only the future of Asia but also the future of the world This edition of *Red Star Over China* includes extensive notes on military and political developments in the country interviews with Mao himself a chronology

covering 125 years of Chinese history and nearly a hundred detailed biographies of the men and women who were instrumental in making China what it is today The Battle For China's Past Mobo Gao,2008-02-20 Shows that the Mao era was beneficial for most Chinese citizens A powerful mixture of political passion and original research a brave polemic against the fashionable view on China Aims a knockout blow at Jung Chang s recent book on Mao which Bush and the conservatives rave reviewed Gregor Benton Professor of Chinese History University of Cardiff This important book opens a much needed window onto Chinese perceptions of the country s post Mao direction Highlights the renewal of popular support for socialism and the growing opposition to contemporary state policies Martin Hart Landsberg Professor of Economics Lewis Clark College Portland Oregon Mao and his policies have long been demonised in the West with the Cultural Revolution considered a fundamental violation of human rights As China embraces capitalism the Mao era is being surgically denigrated by the Chinese political and intellectual elite This book tackles the extremely negative depiction of China under Mao in recent publications and argues most people in China including the rural poor and the urban working class actually benefited from Mao s policy of a comprehensive welfare system for the urban and basic health and education provision for the rural which is being reversed in the current rush towards capitalism By a critical analysis of the mainstream account of the Mao era and the Cultural Revolution and by revealing what is offered in the unofficial e media debates this book sets the record straight making a convincing argument for the positive effects of Mao s policies on the well being of the Chinese people **China Since 1919** Alan Lawrance,2004 A sourcebook that tells the momentous history of China since 1919 mainly from the viewpoints of participants including extracts from telegrams speeches memoirs political statements and letters and poems

Space, Politics, and Cultural Representation in Modern China Enhua Zhang,2016-12-08 Regarding revolution as a spatial practice this book explores modes of spatial construction in modern China through a panoramic overview of major Chinese revolutionary events and nuanced analysis of cultural representations Examining the relationship between revolution space and culture in modern China the author takes five spatially significant revolutionary events as case studies the territorial dispute between Russia and the Qing dynasty in 1892 the Land Reform in the 1920s the Long March 1934-36 the mainland Taiwan split in 1949 and the Cultural Revolution 1966-76 and analyses how revolution constructs conceives and transforms space Using materials associated with these events including primarily literature as well as maps political treatises historiography plays film and art the book argues that in addition to redirecting the flow of Chinese history revolutionary movements operate in and on space in three main ways maintaining territorial sovereignty redefining social relations and governing an imaginary realm Arguing for reconsideration of revolution as a reorganization of space as much as time this book will appeal to students and scholars of Chinese culture society history and literature *Daily Report, Foreign Radio Broadcasts* United States.
