

I love how you hold me. I love how you tell me I'm beautiful. I love how you look at me funny when I say something stupid. I love how you make me happy. I love how you smile when I see you. I love how you laugh when I say something random, or stupid. I love the face you make when I snort when I laugh. I love how you ask me if I'm alright when I cant stop laughing. I love how you make me feel. I love how you tell me I look cute.

I love how you like my pajamas. I love how you talk about music for hours. I love how you say sweet things to me. I love how you whisper in my ear when it's really quiet. I love how you squeeze me so hard when I hug you. I love how I can talk to you for hours about anything, and you listen, and I listen. I love how we call each other as soon as we wake up. I love how you sound when I wake you up. I love how my dog has more sex with you than I do, just kidding. I love how you want to spend every day with me. I love how you squeeze my hand. I love how you rub my back, and kiss my neck. I love how you lay next to me, and tell me that everything's perfect. I love how everything is perfect. I love how you see the person I really am. I love how you say we are perfect for each other. I love how you make me cry, but not because I'm upset or sad, or you hurt me, but because you made me the happiest person ever. I love how I wake up in the morning for you. I love how I anticipate seeing you. I love how you kiss me. I love how I look at the empty space in my bed, and wish you were filling it. I love how I get nervous when I see you, but feel more comfortable with you than I do with anyone else. I love how my parents love you. I love how you deal with my picky eating habits. I love how you worry about me, and take care of me. I love how you pay for me when we go places. I love how you insist everything will be alright, and make me feel at ease. I love how you keep me warm when I'm cold. I love how you give me weird looks at awkward moments. I love how you stop everything for me. I love how I'm important to you. I love how I make you happy. I love how you make me happy. I love how you make sure I stay in line. I love how I only want to be with you. I love how I only think about you. I love how I stop everything because I get distracted and have to call you. I love how you get jealous. I love how you are when you are with your family. I love being with your family. I love how I can see myself with you forever. I love how we talk about being together forever. I love how you think I have cute feet. I love how you tickle me. I love how you get mad when someone says something to upset me. I love everything about you.
