Long Way Home A Christmas Story:

The Long Way Home G.R. Richards, Nothing grabs a guy's attention like the words "We need to talk." For months now Jordan and Faro have been at each other's throats. Their long-term committed relationship is mired in petty arguments about anything and everything but Jordan is convinced they can make it past the holidays. After all, how heartless would a man have to be to throw his partner out three days before Christmas? About as heartless as Faro apparently, who packs Jordan's bags and puts him on a train to his mother's house for the holidays. But there's more love, more passion, and more compassion in their relationship than even Jordan had realized. When he arrives at his mother's house, the surprise waiting for him can combat all the heartache in the world. A gay holiday second-chance romance story. [The Long Way Home](#) Mariah Stewart, 2013-01-29 NEW YORK TIMES BESTSELLER Mariah Stewart presents a captivating contemporary romance novel in the tradition of Robyn Carr, Susan Mallery, and Barbara Freethy. As the only child of a wealthy investment manager, Ellie Chapman has never known anything besides a life of perfect privilege. But her years of good fortune come to an abrupt end when her father is exposed for swindling billions of dollars from innocent investors in a massive Ponzi scheme. And just like that, Ellie loses everything: money, job, home, even her fiancé, who's jailed as her father's partner in crime. With no job prospects on the horizon, no cash, and her family name in tatters, Ellie has only one place to go: Sleepy St. Dennis, Maryland, is hardly where Ellie intends to stay. However, keeping her identity a secret, she plans to sell the house her late mother left her in the small town and use the proceeds to move on with her life. Unfortunately, her ticket to a new beginning is in dire need of a laundry list of pricey improvements, many of which she'll have to do herself. And until the house on Bay View Road is fit to be sold, the sole place Ellie will be traveling is the hardware store. But as the many charms of St. Dennis, not to mention Cameron O'Connor, the handsome local contractor who has secrets of his own, begin to work their magic, what begins as a lesson in do-it-yourself renovations might just end up as Ellie's very own rejuvenation. Includes a preview of the next book in the Chesapeake Diaries series, *At the River's Edge*. **Long Way Home** Lynn Austin, 2022 Peggy Serrano couldn't wait for her best friend to come home from the war. Seven years earlier, sensing the rising tide against her people, Gisela Wolff and her family flee Germany aboard the passenger ship *St. Louis*, bound for Havana, Cuba. Gisela meets Sam Shapiro, the love of her life, on board, but the ship is eventually denied safe harbor and sent back to Europe. This begins Gisela's perilous journey of exile and survival, made possible only by the kindness and courage of a series of strangers she meets along the way, including one man who will change the course of her life. Before I Fall Jessica Scott, 2015-03-03 I thought I could do this. I thought I could leave the war behind. I was wrong. I can't do this. I can't go to class and pretend like everything is normal. That I'm normal. I'm not. I've lost everything that matters to me. But I made a promise. And if I'm going to keep that promise, I have to focus. I have to pretend that I belong on this southern campus that drips with old money. And I have to pass stats. That's where Beth comes in. I'm terrified she'll see through me. That the careful lies and easy smile won't be enough to convince her that everything is fine. That she'll see how broken I really am. But there's something about her that draws me closer. A sadness in her eyes that I'm powerless to resist. I should walk away. Protect her from the broken darkness in me. Before we both fall into something neither of us can control. Stay focused. Get a job. Save her father's life. Beth Lamont knows far too much about the harsh realities of life. Her gilded classmates have only read about it in class. She'll do whatever it takes to take care of her father, even if that means tutoring a guy like Noah, a guy who represents everything she hates about the war, soldiers, and what the Army has done to her family. Noah Warren doesn't know how to be a student. All he knows is war. But he's going to college now to fulfill a promise, and he doesn't break his promises. Except he doesn't count on his tutor being drop-dead gorgeous and distracting as hell. One look at Beth threatens to unravel the careful lies Noah has constructed around him. A simple arrangement turns into something neither of them can deny. And a war that neither of them can forget could destroy them both.

Until We Fall Jessica Scott, 2018-04-24 The darkness never forgets. Caleb Gregory has spent ten years hiding in the dark, refusing to speak about the night his young life was destroyed. In his anger and his rage, he drank and fought until he drove everyone away until he had no one left. The light casts a long shadow. Nalini King has devoted her post-army life to her passion: using yoga to heal her fellow soldiers. In doing so, she's worked to forget the night her life burned down around her. An unexpected storm. When a storm forces them into the darkness together, these two wounded souls must face the demons of their past. Because it is only in the darkest night that we can truly see the light. Praise for *AFTER I FALL* Jessica Scott weaves raw, real emotion into every scene and sentence. *AFTER I FALL* was irresistible and unforgettable. Roxanne St. Claire, New York Times Bestselling Author. Another masterful romance. I won't soon forget. Claudia Connor, New York Times Bestselling Author. Praise for *BEFORE I FALL*. One of the most read books in Library Journal's Self-e program. Scott HomeFront starts off her Falling contemporary series with a story that focuses on the troubles of returning veterans and their families. The strength of the story is the attention it pays to returning veterans' need for physical and mental support.
