Adventure in Ancient Azorka Immortal Corrie Gilmour, 2023-04-13

In part one, we left the Wizard standing at his office window on the second floor of his castle. He had been defeated in battle by Azorka's heroes. Now he was glad that his hybrid flying abominations, dim-witted and useless to him, had vacated their pens. He would refill them with more powerful and intelligent creatures. Keeping this in mind, he toasted to his success with a large glass of optimism. At the same time, a jubilant Mitch, Heather, Sally, Zen, and Lana were sailing back to Azorka, celebrating the rescue of Heather and the capture of the Dragon Queen. Even the immortal Dragon Queen would admit that in their world, wonders never cease. Wonders never cease in *Immortal*. There will be more disclosure of the Zapatsaurs, an introduction to visitors from outside of our solar system, and powerful changes and abilities for Heather, Lana, and Sally. The Wizard meets two new allies dedicated to helping him win in this exciting new episode. The unique literary voice I wish to offer to my readers is that of an individual who craves peace at all levels in our world. Whether that be a peaceful walk at night or the peaceful negotiations of countries experiencing change, if we could all strive for this change, make it our priority, then I believe we will magically come into possession of higher technology. And there could be others outside of the aquarium that are wishing this would come true.

soon The buildup of missiles can be redirected outside the aquarium for those unwanted meteorites of the future Presently we as peaceful individuals should follow environmentalists by caring for the planet and being mindful of climate change
