starts to read the story he discovers it is a spy thriller but begins to notice strange similarities between the characters in the story and their own experiences The more he reads the more uncomfortable he becomes He speaks to Gabby about it but she dismisses it as a coincidence He notices words changing as he reads them and the e book seems to be communicating with him Gradually the story starts to predict their future a future full of danger He feels compelled to continue reading and ignores Gabby driving her into the arms of another man to fulfil her desires that Daniel wasn't giving her Too late he finds out that he must never stop reading
