people Gates writes who have shaped the world as much as they were shaped by it who gave as good as they got Three are writers James Baldwin who was once regarded as the intellectual spokesman for the black community Anatole Broyard who chose to hide his black heritage so as to be seen as a writer on his own terms and Albert Murray who rose to the pinnacle of literary criticism There is the general turned political figure Colin Powell who discusses his interactions with three United States presidents there is Harry Belafonte the entertainer whose career has been distinct from his fervent activism there is Bill T Jones dancer and choreographer whose fierce courage and creativity have continued in the shadow of AIDS and there is Louis Farrakhan the controversial religious leader These men and others speak of their lives with candor and intimacy and what emerges from this portfolio of influential men is a strikingly varied and profound set of ideas about what it means to be a black man in America today

Good Kings Bad Kings Susan Nussbaum, 2025-05-01 Bellwether Award winner Susan Nussbaum's powerful novel invites us into the lives of a group of typical teenagers alienated, funny, yearning for autonomy except that they live in an institution for juveniles with disabilities. This unfamiliar, isolated landscape is much the same as the world outside: friendships are forged, trust is built, love affairs are kindled, and rules are broken. But those who call it home have little or no control over their fate. *Good Kings Bad Kings* challenges our definitions of what it means to be disabled in a story told with remarkable authenticity and in voices that resound with humor and spirit.

Marriage of Inconvenience Cheryl Bolen, 2018-07-16 Revisit this classic Regency romance by Cheryl Bolen. Proposing to the Earl of Aynsley seems a sensible if unconventional solution to Miss Rebecca Peabody's predicament. As a married woman, she will be free to keep writing her essays on civil reform. Meanwhile, the distinguished widower will gain a stepmother for his seven children and a caretaker for his vast estate. But the earl wants more than a convenient bride. He craves a true partner, a woman he can cherish. To his surprise, the bookish Miss Peabody appears to have every quality he desires except the willingness to trust her new husband. Yet despite his family's interference and her steadfast independence, time and faith could make theirs a true marriage of hearts. Originally published in 2012.

Two-Timed: an Adolescent Cancer Memoir Danielle DuChateau, 2021-01-20 The journals are those of a girl I once knew who had cancer and wrote about her experiences She wanted to share her story in a way that would have helped her in a book about having cancer as a teen written by a teen who experienced it She wasn't lost in battle but she's been gone a long time and I haven't been able to forget her or let her go The story seems unfamiliar and yet I know it by heart It feels like yesterday but seems like a lifetime ago It's the story I never wrote because it was already written and at the heart of it is my journey with cancer a muse a curse and a blessing I've read the book before but I never closed the first chapter a book of journals written by a girl who had cancer Cancer is a part of my story and being a survivor is part of my identity but it is not my entire identity as I felt it was when I was younger At the end of my second treatment I decided I was going to write my story and publish it I even thought of the perfect title for my book Two Timed An Adolescent Cancer Memoir I thought of it because I felt two timed by my own body whose very defense system had attacked itself and it had happened to me twice But I didn't write the story The years went by and I decided I could not very well write an adolescent memoir when I was well into my twenties but I still had my journals all the journals Several more years elapsed until now twenty three years after the journey began I am finally writing the story
