Looking Back Stories Of Our Mothers Fathers In Retrospect:

Looking Back Rebecca Weeks, 2003 For many of us our relationships with our parents have changed or are in the process of changing Age and experience allows us to recall a memory of a parent from a very different place and often our matured perceptions bring about new understanding Looking Back is a collection of stories written by women and men reflecting on a memory of a parent In retrospect these stories now bring forth shifts in insight or awareness and inspire all of us to revisit our own memories perhaps discovering new conclusions to our stories as well Back cover *Looking Back* Regina Bennett, 2022-11-11 Looking Back captures individual memories from birth and beyond sometimes painful other times happy But through it all there is healing in remembering Read along as Regina takes us on a journey through the pages of her book Looking Back as memories are awakened past the age of infancy experiencing glimpses of laughter pain and tears through herself and others But through it all she found healing within her process of remembering Looking Back is a memento Use it as a guide and step into the process of sharing and communicating with loved ones and or friends Listen as they speak one on one to you and share your truths and watch the positive benefits all will gain by the way of healing
