Luke American Heros:

America's Heroes James H. Willbanks, 2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan America's Heroes Medal of Honor Recipients from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award's significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award's recipients **Heroes, Antiheroes and Dolts** Ashton D. Trice, Samuel A.

Holland, 2017-07-06 This book is a discussion of 75 of the most popular films in America from 1921 through 1999 and the changes that have taken place in how masculinity is portrayed in the movies over that period of time Traditionally in popular films men have met challenging tasks but what they accomplish and how successful they are have been drastically changed since the early 1920s Prior to World War II men were most often presented within the context of a family After the war men were presented as concerned with issues beyond their immediate families and after 1970 they were portrayed as being overwhelmed by their situations Recently popular films have tended to focus on the relationships between men This work documents these changes over eight decades using the movies as vehicles to illustrate the major transformations **True**

American Hero Chris Willenborg, 2018-10-27 My name is Chris Willenborg I served in the United States Navy from 2003 2007 I deployed on the USS Nimitz as part of Operation Iraqi Freedom and Operation Enduring Freedom This is my story P S The title is sarcastic **The Hero and the Perennial Journey Home in American Film** Susan Mackey-Kallis, 2010-08-03 In contemporary America myths find expression primarily in film What's more many of the highest grossing American movies of the past several decades have been rooted in one of the most fundamental mythic narratives the hero quest Why is the hero quest so persistently renewed and retold In what ways does this universal myth manifest itself in American cinema And what is the significance of the popularity of these modern myths The Hero and the Perennial Journey Home in American Film by Susan Mackey Kallis is an exploration of the appeal of films that recreate and reinterpret this mythic structure She closely analyzes such films as E T the Star Wars trilogy It's a Wonderful Life The Wizard of Oz The Lion King Field of Dreams The Piano Thelma and Louise and 2001 A Space Odyssey Elements of the quest mythology made popular by Joseph Campbell Homer's Odyssey the perennial philosophy of Aldous Huxley and Jungian psychology all contribute to the compelling

interpretive framework in which Mackey Kallis crafts her study She argues that the purpose of the hero quest is not limited to the discovery of some boon or Holy Grail but also involves finding oneself and finding a home in the universe The home that is sought is simultaneously the literal home from which the hero sets out and the terminus of the personal growth he or she undergoes during the journey back Thus the quest Mackey Kallis asserts is an outward journey into the world of action and events which eventually requires a journey inward if the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large Finally she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies **A Hero in All of Us?** Stephen Clouse, Aaron Kushner, 2024-08-26 Is heroism possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are Only Murders in the Building Game of Thrones The Good Lord Bird The Boys and Severance What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one A Hero in All of Us Heroism and American Political Thought as Seen on TV explores this multifaceted landscape to better understand how Americans view their heroes and themselves The American Superhero Richard A. Hall, 2019-02-06 This compilation of essential information on 100 superheroes from comic book issues various print and online references and scholarly analyses provides readers all of the relevant material on superheroes in one place The American Superhero Encyclopedia of Caped Crusaders in History covers the history of superheroes and superheroines in America from approximately 1938 2010 in an intentionally inclusive manner The book features a chronology of important dates in superhero history five thematic essays covering the overall history of superheroes and 100 A Z entries on various superheroes Complementing the entries are sidebars of important figures or events and a glossary of terms in superhero research Designed for anyone beginning to research superheroes and superheroines The American Superhero contains a wide variety of facts figures and features about caped crusaders and shows their importance in American history Further it collects and verifies information that otherwise would require hours of looking through multiple books and websites to find **The Anti-Hero in the American Novel** D. Simmons, 2008-05-26 The Anti Hero in the American Novel rereads major texts of the 1960s to offer an innovative re evaluation of a set of canonical novels that moves beyond entrenched post modern and post structural interpretations towards an appraisal which emphasizes the specifically humanist and idealist elements of these works Patterns of

American Popular Heroism James G. Shoopman, 2020-09-25 The American popular hero has deeply bipolar origins Depending on prevailing attitudes about the use or abuse of authority American heroes may be rooted in the traditions of the Roman conquerors of The Aeneid or of the biblical underdog warriors and prophets This book reviews the history of American popular culture and its heroes from the Revolutionary War and pre Civil War women s literature to the dime novel tales of Jesse James and Buffalo Bill Hinge heroes like The Virginian and the Rider s of the Purple Sage paved the way for John Wayne s and Humphrey Bogart s champions of civilization while Jimmy Stewart s scrappy rebels fought soulless bankers and cynical politicians The 1960s and 1970s saw a wave of new renegades the doctors of MASH and the rebel alliance of Star Wars but early 21st Century terrorism called for the grit of world weary cops and the super heroism of Wonder Woman and Black Panther to make the world safe

Focus On: 100 Most Popular Fictional African-American People Wikipedia contributors, *American Heroes in the Fight Against Radical Islam* Oliver North, 2008 What is a Hero New York Times best selling author Oliver North says Real heroes are selfless Those who serve America in harm s way in the war against radical Islam have that quality in abundance And so do their families and loved ones at home Yet they rarely get the attention or coverage they deserve Despite the way they are presented by too many in the press and politics the men and women in uniform today are overwhelmingly good I never cease to be amazed at the self discipline of these brave young Americans They can endure the adrenaline pumping violence of an enemy engagement and then just minutes later help school children get safely to their classes No nation ours included has ever had a military force better than the one we have today I m proud of them You should be too In *American Heroes* a New York Times Wall Street Journal and Washington Post best seller North offers an inspiring first hand account of the extraordinary men and women defending America against radical Islamic terror from his perspective as a forty year member of the United States military a member of the National Security Council staff and serving as the U S government s counter terrorism coordinator from 1983 1986 This patriotic book also pulls in new reports and exclusive full color photographs from War Stories the award winning FOX News Channel series hosted by North Endorsements Oliver North has spent his life among America s heroes This book with its moving words and powerful images will inspire patriots reassure the faint of heart and infuriate our nation s adversaries These are our heroes they deserve to have their story told and no one is better to tell it than Col North because when it comes to heroes it takes one to know one This book is a treasure Newt Gingrich former Speaker of the House of Representatives and New York Times bestselling author of *Real Change* Ollie North has been there done that with the American heroes who are winning the war against radical Islamic terror This book is a magnificent tribute to the warriors who defend us all Sean Hannity host of The Sean Hannity Show and FOX News Channel s Hannity Colmes

The Other Irish Karen F McCarthy, 2011-11-01 What do Mark Twain Neil Armstrong and John McCain have in common Theyre all descendants of a merry group of Scots Irish braggarts that crossed the Atlantic from Ireland in the early 1700s and settled in Americas South Also known as the Other Irish this
