Luminous Essence Body Talks To Body:

Luminous Essence Daniel Santos (D.O.M.),1994 **Luminous Essence** Jamgon Mipham,2009-06-16 *Luminous Essence* is a complete introduction to the world of tantric thought and practice Composed by the renowned Tibetan master Jamg n Mipham 1846 1912 the text provides an overview of the theory and experiential assimilation of a seminal tantric scripture the Tantra of the Secret Essence Guhyagarbha Tantra Embodying the essence of tantric practice this text has been a central scripture in Tibetan Buddhism for well over a thousand years Mipham s explanation of this text here translated for the first time is one of the most celebrated commentaries on the Tantra of the Secret Essence which today occupies an important place in the tantric curriculum of Tibetan monastic colleges *Luminous Essence* is a specialized guide meant for initiated tantric practitioners To fully appreciate and assimilate its message it should be studied under the guidance of a qualified teacher by those who have received the appropriate empowerments reading transmissions and oral instructions

Luminous Essence Daniel Santos,1997 Acupuncture herbs and bodywork are fast becoming accepted as complements to standard healing methods This riveting personal story of the unconventional education of an alternative healer provides extraordinary insight into how and why such methods work Blending Chinese medicine the martial arts and Native American knowing Daniel Santos challenges us to view the body and its healing in an exciting new way A self published edition of *Luminous Essence* ISBN 0 9642416 0 9 was well on its way to becoming an underground best seller in the southwestern U S when Quest purchased the rights for national distribution *Images of the Body in India* Axel Michaels,Christoph Wulf,2012-03-12 This intriguing book engages with the concept of the body in its cultural context by acknowledging and demonstrating that the human body is understood differently in Western and Indian cultures The contributors go on to show that any attempt to put forward a single concept of the body within Indian culture would be misleading Divided into three parts the book examines the considerable and often conflicting variations in body images and body concepts In Part One the contributors focus on the representation of the body in religious and philosophical texts representations that emerged from reading translating and interpreting classical writings from diverse historical and anthropological approaches Through predominantly ethnographic studies Part Two explores the role of the body in narratives and ritual performance from dance to ritualistic ceremonies Visualisation processes of the body are examined in Part Three focusing on developments in modern and contemporary periods from visual practices at the Mughal court to the multiple bodies of the bride and the influence of new media This volume is a fascinating collection of articles for those in the fields of sociology and anthropology history religion cultural studies and South Asian studies *Hierocles of Alexandria* Hermann S. Schibli,2002-06-13 This is the first comprehensive work in English on the fifth century Neoplatonic philosopher Hierocles It contains a survey of his life writings and pagan and Christian surroundings and examines the major tenets of his thought under the rubrics of contemplative philosophy practical philosophy civil and telestic and providence Schibli situates Hierocles in the mainstream of

Neoplatonism from Plotinus to Damascius Particularly helpful is the inclusion of a modern English translation of Hierocles Commentary on the Golden Verses of the Pythagoreans and of the remnants of his treatise On Providence The translations are fully annotated throughout
