UMM, 2019-04-11 English for Food Science and Technology is written to fulfill students' needs to learn English for Specific Purposes. This book is designed to provide an opportunity for the students to develop their English skills more communicatively and meaningfully. It consists of twenty-eight units. Each unit presents reading, writing, and speaking sections. The reading section consists of pre-reading, reading comprehension, and vocabulary exercises related to the topic of the text. In the writing section, some structure and sentence patterns are completed with guided writing exercises. Meanwhile, in the speaking section, students are provided with models and examples followed by practical activities which are presented in various ways. The materials have been arranged and graded in accordance with their language levels. Above all, to improve the quality of this textbook, criticisms and suggestions for better editions are highly appreciated. **High School Life**, 1920 **Vogue**, 1929 **She** Mike W.
