Lunch Box Chronicles Notes From The Parenting Underground:

The Lunch-Box Chronicles Marion Winik, 2009-09-09 Child Magazine Best Book of the Year For me parenting is like dieting Every day I wake up filled with resolve and good intentions perfection in view and every day I somehow stray from the path The difference is with dieting I usually make it to lunch With the candor and often hilarious outlook that have made her a beloved commentator on NPR Marion Winik takes the reader on an unforgettable journey through modern parenthood with all of its attendant anxieties and joys A single mother with two small boys Winik knows exactly what she s talking about from battles over breakfast and bedtime to the virtues of pre packaged food and weightier issues like sex education and sibling rivalry Part memoir and part survival guide *The Lunch Box Chronicles* is an engaging philosophy of parenting from a staunch realist who knows that kids and their parents both will inevitably fall far short of perfection and that a good enough mom really is in fact good enough
