The Lure of San Francisco Elizabeth Gray Potter, 2016-11-30 Excerpt from *The Lure of San Francisco A Romance Amid Old Landmarks*. The average visitor considers California's claim to historic recognition as dating from the discovery of gold. Her children both by birth and adoption have a hazy pride in her Spanish origin but are too busy with today's interests to take much thought of it. They know that somewhere over in the Mission is the old adobe church. They rejoice that it escaped the fire but have no time to visit it. They will proudly tell their eastern friends of its existence and that the Presidio received its name from the Spaniards but further narration of the heritage is lost in exclamations over the beauty of the drives and the views while the historic significance of Portsmouth Square is smothered in the delight over Chinese embroideries, bronzes and cloisonné. Slade, 2011-12 Robert A. Slade, after collecting old fishing tackle since 1958 and contributing articles on old fishing lures for a collector magazine for several years, started researching and writing books in the 1990s. He published *HISTORY COLLECTIBLE FISHING TACKLE OF WISCONSIN* in 1999, which sold 4,500 copies. Bob realized that even though there have been many books published on the subject of old fishing lures, few books covered any detailed history on the old lure makers. His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and

covers over 2 500 lure makers throughout all of North America THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers The author traveled to 11 states and 3 Canadian Provinces visiting collectors homes newspaper archives museums and other sources and has taken over 10 000 pictures in preparing the historical stories for these books The set of books arranges for the individual and company lure makers to appear in alphabetical order People purchasing these books can buy any one single book a whole set or even a book a month if they desire as the books will be printed and shipped on demand Each book has over 400 pages of text pictures and collector values with each book containing a table of contents and index as well as a master index for the complete set of books
