

Lyme Regis Three Town Walks

Amanda Tomlin, Matthew Hancock

Lyme Regis Three Town Walks:

Lyme Regis John Fowles, 1983 *Twelve Literary Walks* Christopher Somerville, 1985 *Jurassic Mary* Patricia Pierce, 2006-04-20 Spinster Mary Anning uneducated and poor was of the wrong sex wrong class and wrong religion but fate decreed that she was exactly the right person in the right place and time to pioneer the emerging science of palaeontology the study of fossils Born in Lyme Regis in 1799 Mary learned to collect fossils with her cabinet maker father The unstable cliffs and stealthy sea made the task dangerous but after her father died the sale of fossils sustained her family Mary's fame started as an infant when she survived a lightning strike that killed the three adults around her Then aged twelve she caught the public's attention when she unearthed the skeleton of a fish lizard or Ichthyosaurus She later found the first Plesiosaurus giganteus with its extraordinary long neck associated with the Loch Ness monster and dramatically she unearthed the first still rare Dimorphodon macronyx a frightening flying dragon with hand claws and teeth Yet her many discoveries were announced to the world by male geologists like the irrepressible William Buckland and Sir Henry De La Beche and they often received the credit In *Jurassic Mary* Patricia Pierce redresses this imbalance bringing to life the extraordinary little known story of this determined and pioneering woman Conversations with John Fowles Dianne L. Vipond, 1999 Although best known for his novels *The Collector* *The Magus* and *The French Lieutenant's Woman* John Fowles is also a short story writer a poet a respected translator and a prolific essayist In his long literary career he has managed the feats of welding stunning innovation to tradition pushing the formal boundaries of literary fiction and still capturing critical acclaim popular success and a worldwide readership In *Conversations with John Fowles* the first book of interviews devoted to the English writer Dianne L Vipond gathers over twenty of the most revealing interviews Fowles has granted in the last forty years With critics scholars and journalists he discusses his life his art his distinctive world view and his special relationship with nature Throughout his interviews Fowles's remarkable consistency of thought is illuminated as he covers the meaning and genesis of his work His uncompromising honesty and refreshing lack of guardedness are evident when he compares the naturalness of writing with eating or making love From the 1960s through the 1990s this master chronicler of the late half of the twentieth century reveals his serious engagement with social political and philosophical issues He identifies himself with feminism socialism humanism and the environmental movement and he explores his recurring theme of personal artistic and socio political freedom His books he says are about the difficulty of attaining personal freedom especially in terms of discovering what one is Any reader who has been intrigued challenged and entertained by his work in the past is sure to find these conversations spanning the writer's career to be stimulating and revealing Dianne L Vipond is a professor of English at California State University Long Beach A co editor of the book *Literacy Language and Power* she has published articles in *English Journal* *Short Story* *Twentieth Century Literature* and the *Los Angeles Times* **Recollecting John Fowles / Wiedererinnerungen an John Fowles** Guido Isekenmeier, Gerd Bayer, 2018 More than a decade after his death in 2005 this

collection of essays celebrates the memory of John Fowles one of the champions of early postmodernist literature in England As the first publication of the German John Fowles Society founded in 2015 the book brings together a collector a translator and a handful of scholars who pay tribute to one of the most important voices in English fiction after World War II Their contributions which address *The Magus* *The French Lieutenant's Woman* *The Ebony Tower* Daniel Martin and the unpublished *Tesserae* bear testimony to Fowles's lasting fascination Mehr als ein Jahrzehnt nach seinem Tod im Jahr 2005 erfährt die Erinnerung an John Fowles einen der wenigen frühen englischen Vertreter einer postmodernistischen Poetik durch diese Aufsatzsammlung neue Impulse Die Beiträge in diesem Band der ersten Veröffentlichung der 2015 gegründeten Deutschen John Fowles Gesellschaft behandeln einige seiner wichtigsten Texte *Der Magus* *Die Geliebte des französischen Leutnants* *Der Ebenholzturm* Daniel Martin sowie die unveröffentlichten Mosaiksteine aus der Perspektive eines Sammlers eines Übersetzers und einer Handvoll Literaturwissenschaftler und zollen der andauernden Faszination seiner Texte Tribut

John Fowles's Fiction and the Poetics of Postmodernism Mahmoud Salami, 1992 Salami presents for instance a critique of the self-conscious narrative of the diary form in *The Collector* the intertextual relations of the multiplicity of voices the problems of subjectivity the reader's position the politics of seduction ideology and history in *The Magus* and *The French Lieutenant's Woman* The book also analyzes the ways in which Fowles uses and abuses the short story genre in which enigmas remain enigmatic and the author disappears to leave the characters free to construct their own texts Salami centers for example on *A Maggot* which embodies the postmodernist technique of dialogical narrative the problem of narrativization of history and the explicitly political critique of both past and present in terms of social and religious dissent These political questions are also echoed in Fowles's nonfictional book *The Aristos* in which he strongly rejects the totalization of narratives and the materialization of society

The Romances of John Fowles Simon Loveday, 1985-06-11 *John Fowles* Eileen Warburton, 2004 Based on exclusive access to Fowles's 50 year private diary personal letters and interviews this is the first biography of the celebrated novelist of *The French Lieutenant's Woman*

100 Local Heroes Adam Hart-Davis, Paul Bader, 1999-07-22 For more than five years Adam Hart Davis travelled the length and breadth of Britain bringing to life in his TV series *Local Heroes* pioneers of science invention and technology This book presents 100 of the best stories ingenious or odd different or daft but always entertaining
