Drawing for Illustration Martin Salisbury,2022-10-25 Renowned professor on the subject examines the practice of drawing for illustration through case studies and sketchbooks This beautiful in depth reference book by illustration professor Martin Salisbury explores drawing for illustration Salisbury places a special emphasis on drawing treating it as a fundamental skill that every illustrator should engage with Assisting students through exercises and case studies this guide explores the often unseen world of draftsmanship that underpins finished illustration work From book illustration to graphic novels and caricatures to commercial design this attractive volume draws on sketchbooks projects and historical examples to show how they started as drawings from observation and drawings from imagination Salisbury starts out by explaining the fundamentals of this exciting discipline before outlining the basic principles of line tone composition and color through inspired examples Different approaches to drawing including anecdotal sequential and reportage are examined to help students acquire their own personal visual language Interviews with illustrators also provide valuable insights into the creative process as they discuss the challenges rewards and what drawing personally means for them Visually appealing Drawing for Illustration features detailed analysis of works by key illustrators from the past and present including George Cruikshank Ronald Searle Sheila Robinson Laura Carlin Alexis Deacon and Isabelle Arsenault looking at the differing roles drawing plays in their particular illustrative languages and how styles have changed over time *Histories of Everyday Life* Laura Carter,2021-07-22 Histories of Everyday Life is a study of the production and consumption of popular social history in mid twentieth century Britain It explores how non academic historians many of them women developed a new breed of social history after the First World War identified as the history of everyday life The history of everyday life was a pedagogical construct based on the perceived educational needs of the new mass democracy that emerged after 1918 It was popularized to ordinary people in educational settings through books in classrooms and museums and on BBC radio After tracing its development and dissemination between the 1920s and the 1960s this book argues that history of everyday life declined in

the 1970s not because academics invented an alternative new social history but because bottom up social change rendered this form of popular social history untenable in the changing context of mass education *Histories of Everyday Life* ultimately uses the subject of history to demonstrate how profoundly the advent of mass education shaped popular culture in Britain after 1918 arguing that we should see the twentieth century as Britain's educational century **1945-1978** Maria Witt, 2013-02-07 No detailed description available for 1945 1978
