Macaroni Mess:

Army Recipes United States. War Department, 1946 The Human Part Kari Hotakainen, 2013-11-05 A burnt out author who can no longer mine material from his own life for his novels buys the life of an elderly woman he meets at a book fair In exchange for his last few thousand euros the woman Salme Malmikunnas a retired yarn and button saleswoman relates her life story over the course of two interviews held in a secluded highway cafe The author is instantly reinvigorated but the two soon come into conflict over the degree to which he may embellish Salme s reminiscences His imagination begins to run wild with the lives of her three children and as they all lurch from crisis to crisis Salme founders in the shifting sands of the little white lies they have told her and the fabrications of her new friend The Human Part is at once an absurdist meditation on the relationship between truth and falsehood in fiction and a panoramic state of the nation novel Racism communism the global financial crisis and the literary legacies of Finland s finest writers are all dissected There are shades of George Pennac s masterpiece *Life A User s Manual* in the subtly oblique angle of Hotakainen s approach **The Trek** David Schachne, 2013-09-05 The Trek tells the story of David Schachne s adventure in November 2004 attempting to summit Kala Patthar a mountain which towers above Everest Base Camp in the Himalayas At 18 192 feet above sea level the summit of Kala Patthar offers successful climbers one of the most amazing views of Mount Everest 29 035 feet without having to put your life at risk by entering the Khumbu Icefall or by climbing Mount Lhotse or Mount Nuptse Raised in Brooklyn NY Schachne loved visiting the great outdoors as a teenager going camping and hiking in the Catskills and Adirondacks Throughout his early adult life he had a burning desire to go trekking in the Himalayas He believed going there would make his life more fulfilled Schachne certainly didn t expect his trek to be a walk in the park but he was ill prepared for what was in store for him Climbing for hours and hours each day while mentally and physically exhausted confronting sub freezing temperatures dealing with illness high altitude sickness piercing headaches wretched odors utter filth bacterial infections dysentery and more he endured two weeks of pure nightmarish misery In this riveting account of his gut wrenching trek over fourteen sleepless days and nights while malnourished Schachne takes you along on each and every step of his journey You ll experience the ups and downs of the hills and valleys and the highs and lows of his personal triumphs and chaotic travails He flies from Kathmandu in Nepal to the most dangerous airport in the world Tenzing Hillary Airport in a town called Lukla then hikes to Phadking and Namche Bazaar a virtual flea market at 11 000 feet then Thyangboche Monastery and then Dingboche Dzugla Lobuche and Gorak Shep before finally attempting the summit Schachne reveals what originally led him to fall in love with nature why he was so determined to go to the Himalayas and why he persevered despite the brutal bodily punishment he experienced Join Schachne for the most entertaining adventure of your life as he takes you along on this thrilling harrowing and laugh and cry out loud journey *Elusive Treasures* Dell R. Foutz, 2014-08-20 When I started to write this book I was advised by wise friends not to tell the stories in the first person However much of the book is autobiographical

and I felt compelled to write it in first person I hope it is not a disaster The various episodes in the book range from absolutely true from start to finish to a few that start with a real incident but wander off into fiction One story is entire fantasy *Gypsum* Chris Rellim,2019-08-30 When Steven Dobrowski and his family move into their new home strange things happen At first the hauntings perpetuated by the angry spirit are innocuous but soon turn malicious and dangerous Keisha Steven s wife insists the family move for the sake of the family s safety but Steven s obsession with the spirit overshadows his judgement and he refuses to turn his back on the house he believes he and his family deserve As events unfold eventually Steven is taunted by an entity that persuades him to perform evil acts on the ones closest to him Not only are the Dobrowskis affected by an entity of the spiritual world but also by someone of the physical world who is furious Steven moved into the community with his African American wife and three mixed race children The family is victimized with threats and vandalism Who will win the fight between good and evil Beached 101: Pilot Cherilyn Korber,2020-10-09 Not like the others Bonfire Beach South Carolina The exclusive beachfront community is old money the best of everything and its genteel residents don t take kindly to those who aren t like them And to say that Stacy Storm isn t like them is an understatement For one thing he s a disgraced reality TV star and tabloid fodder For another he s a world renowned psychic proven to be a fraud at least in part For a third he s moved into the notorious McClean mansion the very mansion whose relevance in Bonfire Beach history all would prefer to forget And that s just what the people of Bonfire know about From childhood on Stacy has been different Neglected by his mother and bullied by his peers he learned in his teens that he is in fact very much wanted in another realm of which very few others are even aware His gift is a double edged sword bringing him validation and approval by way of a daily nightmare that stars only Stacy and them He hates them He fears them He needs them And he s come to Bonfire Beach to find them This is the beginning **A Slow, Painful Death Would Be Too Good for You (and Other Observations): A Pillow Book for Dyspeptics** David Roddis,2018-04-30 Gather round peeps for some sparkling startling lessons in old school fabulousness including a bitch slap from Big Gay Pope David a breathtaking ride on a Gigolo and even a photography master class with that insufferable Canadian superstar and adulte terrible David DeLaRoddis The Guy With The Eye In this debut collection of personal essays a veritable treasure trove of bons mots and quirky alter egos as well as a tongue in cheek memoir and a rallying cry of solidarity David Roddis aims his wry devastating wit at Canadian and U S politics pineapple Freezies and just about everything in between not sparing himself a few self deprecating jabs in the process Blending sixty plus years of defiant survival into vintage Champagne and with a voice that runs the gamut from caustic to camp satirical to almost lyrical Roddis ultimately reminds us that however desperate the situation may appear it s never serious *The Northwestern Miller* ,1928 *Dance Hall Road* Marion Douglas,2008 Mid August and two boys lie on the abandoned ski jump in Minnow Lake Water laps onto the old plywood ramp There is talk of mud goosebumps and frogs The humid air transports the muted thump of a basketball from the local dance hall atop the

escarpment The quiet is punctured with the staggered pop of gun practice in nearby woods United States Naval Medical Bulletin ,1923 **Picturesque Sicily** William Agnew Paton,1898 Travelogues Collection offers readers a unique glimpse into the diverse landscape culture and wildlife of the world from the perspective of late 19th and early 20th century esteemed travelers From the exotic islands of Fiji to the lush jungles of Africa to the bustling streets of New York City these picturesque backdrops set the scene for amusing and at times prejudiced anecdotes of adventure survival and camaraderie Photographs and whimsical illustrations complement the descriptive text bringing to life the colorful characters encountered along the way The Shelf2Life Travelogues Collection allows readers to embark on a voyage into the past to experience the world as it once was and meet the people who inhabited it **Dearest Virginia** Sam Lloyd Hunnicutt,2005 On May 29th 1936 at the age of 27 Lloyd Hunnicutt graduated from Cavalry School in Fort Riley Kansas as a Second Lieutenant in the 124th Unit of the Texas National Guard received his first promotion on November 18 1940 Nineteen months later he went to war in the South Pacific with the 112th Cavalry from the Introduction A good old fashioned siege of homesickness wouldn't be so bad but these constantly recurring twinges of emptiness that occur when something unconsciously reminds me of you are a little hard to take I don't see now how I even had the nerve to get on the train at Fort Clark I know now why American soldiers always win their battles they fight hard so they can get home to their wives and families I think our greatest hardship is that there is no one near who loves us and to whom we can turn for comfort Each of us must stand on his own feet at all times But that is enough of that Remember that without your love I would have no incentive for anything ever again Lloyd Hunnicutt 1942 somewhere in the South Pacific In 1942 Captain Lloyd Hunnicutt shipped out for the Pacific He left behind in Fort Worth Texas his beloved and pregnant wife Virginia Captain Hunnicutt went first to the island of New Caledonia a relatively safe and malaria free island and then to the jungles of New Guinea where his men were bombarded by the Japanese and threatened by malaria Dearest Virginia presents a selection of the letters he wrote his wife sometimes two a day Captain Hunnicutt could not tell Virginia where he was but the letters reflect his experiences in the Pacific his efforts to keep busy on ship the importance he placed on reading the pleasures of fresh food as opposed to C rations But above all these are love letters filled with longing and loneliness philosophical musings on marriage and fidelity and humor Reflecting the feelings of service men and women everywhere in all wars these letters are as poignant and relevant today as they were sixty years ago Of his concern for his wife's pregnancy he wrote I don't want you scared by an automobile or anything this late the baby might have a voice like a Chevrolet horn The baby was a girl named Gayle who moved to England and became a well known actress Clearing out her parents home when her mother moved to an assisted living facility she found the letters from her father stashed them away for later and eventually spent months sorting choosing and condensing them to produce this book Unfortunately Captain Hunnicutt was required for security reasons to destroy any letters he received so none of Virginia's correspondence survives Gayle Hunnicutt contributed a lengthy memoir rich with her memories of her parents and
