Macau The Imaginary City:

Macau Jonathan Porter, 1999-12-10 In this evocative essay on the cultural and social history of a unique and fragile city Jonathan Porter examines Macau as an enduring but ever changing threshold between two worlds the West and China Founded by the Portuguese in 1557 Macau emerged as a vibrant commercial and cultural hub in the early seventeenth century The city then gradually evolved flourishing first as a Eurasian community in the eighteenth century and then as an increasingly Chinese city in the nineteenth century Poised on the periphery of two worlds an isolated but global crossroads Macau s unique cultural and social melange illuminates crucial issues of cross cultural exchange in world history Establishing Portugal and China as distinct cultural archetypes Porter examines the subsequent encounters of East and West in Macau from the sixteenth to the twentieth centuries Avoiding a linear chronological approach Porter instead looks at a series of images from the city s history and culture including its place in the geographical context of the South China coast the architecture of Macau which reflects the memories of its historical passages the variety of people who crossed the threshold of Macau and the material culture of everyday life The paperback edition of this acclaimed book includes a new epilogue by Porter addressing the return of Macau to Chinese control in late 1999 *Macau* Jonathan Porter, 1996-06-20 Establishing Portugal and China as distinct cultural archetypes Porter then examines the subsequent encounters of East and West in Macau from the sixteenth to the twentieth centuries **Macao - The Formation of a Global City** C.X. George Wei, 2013-11-07 Macao the former Portuguese colony in southeast China has a long and very interesting history of cultural interaction between China and the West Held by the Portuguese from the 1550s until its return to China in 1999 Macao was up to the emergence of Hong Kong in the later nineteenth century the principal point of entry into China for all Westerners Dutch British and others as well as Portuguese The relatively relaxed nature of Portuguese colonial rule intermarriage the mixing of Chinese and Western cultures and the fact that Macao served as a safe haven for many Chinese reformers at odds with the Chinese authorities including Sun Yat sen all combined to make Macao a very different and special place This book explores how Macao was formed over the centuries It puts forward substantial new research findings and new thinking and covers a wide range of issues It is a companion volume to Macao Cultural Interaction and Literary Representations

Colonialism and Male Domestic Service across the Asia Pacific Julia Martínez, Claire Lowrie, Frances Steel, Victoria Haskins, 2018-11-29 Examining the role of Asian and indigenous male servants across the Asia Pacific from the late 19th century to the 1930s, this study shows how their ubiquitous presence in these purportedly humble jobs gave them a degree of cultural influence that has been largely overlooked in the literature on labour mobility in the age of empire. With case studies from British Hong Kong, Singapore, Northern Australia, Fiji and British Columbia, French Indochina, the American Philippines and the Dutch East Indies, the book delves into the intimate and often conflicted relationships between European and American colonists and their servants. It explores the lives of houseboys, cooks and gardeners in the colonial home, considers the bell boys and waiters in the grand colonial hotels and follows the stewards and cabin boys on steamships travelling across the Indian and Pacific Oceans. This broad conception of service allows *Colonialism and Male Domestic Service* to illuminate trans-colonial or cross-border influences through the mobility of servants and their employers. This path-breaking study is an important book for students and scholars of colonialism, labour history and the Asia Pacific region. The Statesman's Yearbook 2006 B. Klappentext: All over Asia, bankers, gangsters, government officials and intelligence agents interact while organised crime networks threaten the rest of the world. Chinese gangs run Chinatowns all over the United States and Europe. Vietnamese mobsters have taken over the heroin trade to Australia. Russian gangsters thrive in cities throughout America and the Japanese yakuza not only influence government and business at home but chase the yen through Southeast Asia and Hawaii to Australia's Gold Coast. Organised crime is one of the biggest and most complicated issues in the Asia Pacific today. Both Western and Asian pundits assert that shady deals are an Asian way of life. Some argue that corruption and illicit business ventures, gambling, prostitution, drug trafficking, gun running, oil smuggling are entrenched parts of the Asian value system. Yet many Asian leaders maintain that their cities are safer than Sydney, Amsterdam, New York and Los Angeles. Bertil Lintner knows this territory well. In **Blood Brothers** he takes the reader inside the criminal fraternities of Asia and the Far East from Russian gangsters and Japan's yakuza to Taiwan's United Bamboo Gang and the Vietnamese Triad. In examining these networks, Lintner seeks to answer the question: How are civil societies all over the world to be protected from the worst excesses of increasingly globalised mobsters? This is investigative journalism at its best and most relevant. **The Far East and Australasia 2003** Europa Publications, 2002. A unique survey of each country in the region.
