Michael Jackson FAQ Kit O'Toole, 2015-10-01 Michael Jackson may be the King of Pop, but his influence extends much further. From his childhood years with the Jackson 5 through his astonishing solo career, he consistently broke sales records, pioneered the modern music video, and infused dance into rock and pop. While his life story has been well chronicled, *Michael Jackson FAQ* explores the stories behind his achievements. Did he play any instruments? How much of his own music did he compose? Who were his greatest influences in both music and dance? His art is his legacy, and *Michael Jackson FAQ* takes an in-depth look at Jackson's work with the Jackson 5 and the Jacksons, in addition to his solo catalog. Learn why current artists such as Justin Timberlake, Lady Gaga, Justin Bieber, and countless boy bands still emulate his sound, look, and showmanship. Questions are tackled such as whether *Off the Wall* or *Thriller* better stands the test of time. From his childhood in Gary, Indiana, through the posthumous albums, this book covers lesser-known but important stories such as how Jackson influenced disco and hip hop, how his singing style transitioned from childhood to adulthood, and how he learned to moonwalk.

Jones,2020-05-12 The Long Journey to Glory My Side of the Jacksons Story seeks to finally set the record straight as to who discovered Michael Jackson and the Jackson 5 The book describes the truth about the real beginning of the Jackson singing group and Michael and their climb to fame It will include the story of the Jacksons from the family s very meager beginning in Gary Indiana like it has never before been told We learn more about Joe the father and also the neighborhood he chose to live in There are details surrounding the neighborhood the little community s Little League baseball teams the long days of practicing their music in the basement of a neighbor s home the deceptive maneuvers used by Tito Jackson to develop his guitar playing skills and finally the events surrounding the talent show at Gary s Roosevelt High School that introduced the Jacksons The story is told by the original unknown member and leader of the group The Jacksons continue to perform to this day Although refined by experience and technology the act has not essentially changed from its inception In the early days no one except their families knew about their rehearsals They couldn t practice together at Joe s house but they did practice at Reynaud s house Since they were using his basement and he was the oldest he automatically made himself the leader They decided they would surprise Joe with their progress Before then the Jackson family wasn t charismatic to the neighbors The

neighborhood was booming with children and the majority of them laughed teasingly at the Jacksons. There were nine Jackson children at the time living in a two bedroom basement less house with their parents.
