Montys Ups And Downs:

Monty's Adventure Irene Drummond, 2014-10-06 Hello and welcome to my world a world full of fun excitement and great adventures My name is Montgomery but everyone calls me Monty I am a black and white miniature fox terrier dog And today I would very much like to share with you some of that fun excitement and adventure as you accompany me on a journey chapter by chapter through my event filled life telling of the remarkable things I ve done interesting places I ve been and the extraordinary people I ve met Monty's Double Neil Sambrook, 2023-07-21 BRITISH OCCUPATION ZONE GERMANY 1945 Former county cricketer Montgomery Monty Bossitor finds himself in the ruins of post war Germany tasked with selling off British Army surplus equipment Tempted by offers from the criminal fraternity to sell the goods as scrap Monty makes a fortune but supplying one gang means double crossing another and soon he finds he has the underworld an assassin and Scotland Yard on his tail In the burnt out remains of his London house is found a charred corpse But is it him or Monty's double **Monty's Ups and Downs** Colin West, 1997 Monty the dog who wears glasses is back in another collection of gently humorous anecdotes Gone with the Gust , Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era's defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That's when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty's accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in Reflections in a Golden Eye His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Praise for Elizabeth and Monty Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the

personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine A new dual biography details a relationship that became a Hollywood legend Town Country Their on screen magic translated outside of the spotlight and the duo enjoyed a long lasting friendship that's explored in the new book Elizabeth and Monty The Untold Story of Their Intimate Friendship by Charles Casillo Classic movie buffs get a glimpse into their unique bond Southern Living As Casillo reveals in Elizabeth And Monty The Untold Story Of Their Intimate Friendship they had an intense even romantic relationship which while never consummated would weigh heavily on Taylor's life propelling her into a string of misguided marriages Daily Mail UK So jammed packed with sex pill popping alcoholism affairs breakdowns suicide attempts and multiple brushes with death that most readers will want to read it in one greedy high caloric gulp Readers may come for the nonstop scandals but what will keep them reading is Casillo's deeply empathetic and nuanced portrait of two Hollywood stars who forged a loving and loyal friendship Shelf Awareness Has the feel of a novel A well researched work that will appeal to readers who like their celebrity biographies juicy Library Journal In this dual biography their intertwined lives and careers are recounted with new and vivid detail and their FriendshipGoals are considered from all angles by Casillo the author of Marilyn Monroe The Private Life of a Public Icon and Outlaw The Lives and Careers of John Rechy The book is incisive on the politics and personalities of bygone Hollywood an understanding Casillo credits to friends like the late screenwriter and film historian Gavin Lambert Inside Daisy Clover The Roman Spring of Mrs Stone Everything Zoomer
