Little Sheep, who grew up in a greenhouse, died for her. Flirtatious men did not love beauties; the young lady asked her to fight, and there was a little bun who occasionally wanted to hug her, acting cute while playing with soy sauce. There was also a haughty older brother to help.

He, who was originally her lover, had allowed her to experience the mortal world. In this road of revenge, she had experienced all the love and hate in the mortal world. What choice would she make after being loved? Would the person she was destined to be with accompany her? Or just pass by?
