## **Nonviolence And Israel Palestine Institute For Peace:**

**Nonviolence and Israel/Palestine** Johan Galtung,1989      *Violence and Nonviolence* Peyman Vahabzadeh,2019-01-01

Through an original and close reading of the key literature regarding both revolutionary violence and nonviolence this book collapses the widely assumed concepts of violence and nonviolence as mutually exclusive By revealing that violence and nonviolence are braided concepts arising from human action Peyman Vahabzadeh submits that in many cases the actions deemed to be either violent or nonviolent might actually produce outcomes that are not essentially different Vahabzadeh offers a conceptual phenomenology of the key thinkers and theorists of both revolutionary violence and various approaches to nonviolence Arguing that violence is inseparable from civilizations Violence and Nonviolence concludes by making a number of original conceptualizations regarding the relationship between violence and nonviolence exploring the possibility of a nonviolent future and proposing to understand the relationship between the two concepts as concentric not opposites

Jahanbegloo,2021-01-14 What do we mean by nonviolence What can nonviolence achieve Are there limits to nonviolence and if so what are they These are the questions the Iranian political philosopher and activist Ramin Jahanbegloo tackles in his journey through the major political advocates of nonviolence during the 20th century While nonviolent resistance has accompanied human culture from its earliest beginnings and representations of nonviolence in Eastern religions like Jainism Buddhism and Hinduism are ubiquitous it is only in 20th century that it emerged as a major preoccupation of figures such as Gandhi Martin Luther King Jr Nelson Mandela Mother Teresa and V clav Havel Focusing on examples of their way of thinking in different cultural geographic and political contexts from the Indian Independence Movement and US Civil rights and Anti Apartheid movement to the Velvet Revolution in Czechoslovakia and nonviolent protests in Tunisia Iran Serbia and Hong Kong Jahanbegloo explores why nonviolence remains relevant as a form of resistance against injustice and oppression around the world With balanced readings of central players and events this comparative study of a pivotal form of resistance written

by accomplished scholar of Gandhi presents convincing reasons to commit to nonviolence reminding us why it matters to the development of contemporary political thought      **Peace, Literature, and Art - Volume II** Ada Aharoni, 2009-08-30 Peace Literature and Art is the component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias Culture is the essence of individual and national identity What children and people read and watch and the kind of Culture Literature and Media they are exposed to through home education and society provide them with basic values attitudes and norms which affect and motivate them throughout their lives It is of crucial importance therefore that those stories we are exposed to at the socio cultural and educational levels which we watch on television in films and on the Internet and which we read should be peaceful ones which open our eyes to a humane world that can prosper from peace and harmony This Theme on Peace Literature and Art deals in two volumes and cover several topics related to Peace Education Definition Approaches and Future Directions Importance of a Literature and a Culture of Peace These two volumes are aimed at the following five major target audiences University and College Students Educators Professional Practitioners Research Personnel and Policy Analysts Managers and Decision Makers NGOs and GOs      **Nonviolence and Peace Psychology** Daniel Mayton, 2009-05-28 Recent trends and events worldwide have increased public interest in nonviolence pacifism and peace psychology as well as professional interest across the social sciences Nonviolence and Peace Psychology assembles multiple perspectives to create a more comprehensive and nuanced understanding of the concepts and phenomena of nonviolence than is usually seen on the subject Through this diverse literature spanning psychology political science religious studies anthropology and sociology peace psychologist Dan Mayton gives readers the opportunity to view nonviolence as a body of principles a system of pragmatics and a strategy for social change This important volume Draws critical distinctions between nonviolence pacifism and related concepts Classifies nonviolence in terms of its scope intrapersonal interpersonal societal global and pacifism according to political and situational dimensions Applies standard psychological concepts such as beliefs motives dispositions and values to define nonviolent actions and behaviors Brings sociohistorical and cross cultural context to peace psychology Analyzes a century s worth of nonviolent social action from the pathbreaking work of Gandhi and King to the Courage to Refuse movement within the Israeli armed forces Reviews methodological and measurement issues in nonviolence research and suggests areas for future study Although more attention is traditionally devoted to violence and aggression within the social sciences Nonviolence and Peace Psychology reveals a robust knowledge base and a framework for peacebuilding work granting peace psychologists activists and mediators new possibilities for the transformative power of nonviolence      Nonviolent Resistance in the Second Intifada M. Hallward, 2011-09-26 Offering diverse perspectives from scholars practitioners and activists this book illustrates the potential strengths and challenges of unarmed resistance in Palestine by Palestinians as well as of internationals and Israelis acting in solidarity      **Palestine's Horizon** Richard

Falk,2017-03-20 Richard Falk has dedicated much of his life to the study of the Israel Palestine conflict In Palestine s Horizon he brings his experiences to bear on one of the most controversial issues of our times After enduring years of violent occupation the Palestinian movement is exploring different avenues for peace These include the pursuit of rights under international law through the UN and International Criminal Court and the new emphasis on global solidarity and non violent militancy embodied by the Boycott Divestment and Sanctions Campaign BDS In focusing on these new tactics of resistance Falk refutes the notion that the Palestinian struggle is a lost cause He also reflects on the legacy of Edward Said and the importance of his humanist thought in order to present a vision of peace that is mindful of the formidable difficulties of achieving a just solution to the long conflict

The Strategy of Nonviolent Defense Robert J. Burrowes,2015-10-26 Because of the way in which the history of nonviolence has been marginalized relatively few people have a sense of the rich history of nonviolent struggle or realize that it can be systematically planned and applied Nevertheless the historical record illustrates that nonviolent struggle is a powerful form of political action But can it be effective against military aggression The Strategy of Nonviolent Defense answers this question in the affirmative by first defining the notion of social cosmology the four mutually reinforcing features that determine the character of any society It then devotes attention to strategies for dealing with conflict in particular to developing a strategic theory and framework for planning a strategy of nonviolent defense In order to develop this theory Burrowes synthesizes insights drawn from the strategic theory of Carl von Clausewitz the nonviolence of Mahatma Gandhi and recent human needs and conflict theory

Philosophical Perspectives on the Israeli-Palestinian Conflict Tomis Kapitan,2015-06-11 This volume addresses a number of philosophical problems that arise in consideration of the century old conflict between Israeli Jews and Palestinian Arabs Consisting of essays by fifteen contributors including both Israeli and Palestinian philosophers and a lengthy introduction by the editor it deals with rights to land sovereignty self determination the existence and legitimacy of states cultural prejudice national identity intercommunal violence and religious intransigence

*Peace by Peaceful Means* Johan Galtung,1996-04-28 Johan Galtung one of the founders of modern peace studies provides a wide ranging panorama of the ideas theories and assumptions on which the study of peace is based The book is organized in four parts each examining the one of the four major theoretical approaches to peace The first part covers peace theory exploring the epistemological assumptions of peace In Part Two conflict theory is examined with an exploration of nonviolent and creative handling of conflict Developmental theory is discussed in Part Three exploring structural violence particularly in the economic field together with a consideration of the ways of overcoming that violence The fourth part is devoted to civilization theory This involves an

Theory and Practice Ethics and Nonviolence Countering with Nonviolence Media Myopia and the power of Nonviolent Social Change Paths to social change conventional politics violence and Non violence Defending and Reclaiming the Commons Through Nonviolent Struggle Nonviolent Methods and Effects of the World Nuclear Disarmament Movement Humiliation and Global Terrorism How to Overcome it Nonviolently It at the following five major target audiences University and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs

*Civil Resistance and Power Politics* Adam Roberts, Timothy Garton Ash, 2009-09-03 From Gandhi to Martin Luther King Tiananmen Square to the Orange Revolution non violent action against the forces of oppression has played a key role in world history This book tells the compelling story of each of the major campaigns of civil resistance that have shaped our world over the last century

**Geographies of Peace** Fiona McConnell, Nick Megoran, Philippa Williams, 2014-06-20 From handshakes on the White House lawn to Picasso's iconic dove of peace the images and stereotypes of peace are powerful widespread and easily recognizable Yet if we try to offer a concise definition of peace it is altogether a more complicated exercise Not only is peace an emotive and value laden concept it is also abstract ambiguous and seemingly inextricably tied to its antithesis war And it is war and violence that have been so compellingly studied within critical geography in recent years This volume offers an attempt to redress that balance and to think more expansively and critically about what peace means and what geographies of peace may entail The editors begin with an examination of critical approaches to peace in other disciplines and a helpful genealogy of peace studies within geography The book is then divided into three sections The opening section examines how the idea of peace may be variously constructed and interpreted according to different sites and scales The chapters in the second section explore a remarkably wide range of techniques of peacemaking This widens the discussion from the archetypal image of top down diplomatic state led initiatives to imperial boundary making practices grassroots cultural identity assertion boycotts self immolation ex paramilitary community activism and protective accompaniment The final section shifts the scale and focus to everyday personal relations and a range of practices around the concept of coexistence In their concluding chapter the editors spell out some of the key questions that they believe a geography of peace must address What spatial factors have facilitated the success or precipitated the failure of some peace movements or diplomatic negotiations Why are some ideologies productive of violence in some places but co operation in others How have some communities been better able to deal with religious racial cultural and class conflict than others How have creative approaches to sharing sovereignty mitigated or transformed territorial disputes that once seemed intractable

*Geographies of Peace* is the first book wholly devoted to exploring the geography of peace Drawing on both recent advances in social and political theory and detailed empirical research covering four continents it makes a significant intervention into current debates about peace and violence

**Research in Social Movements, Conflicts and Change** Patrick G. Coy, 2008-06-16 Presents a series of papers focused on the complex dynamics of coalitions and the interorganizational

relations within social movements This volume includes a section which focuses on strategic decision making in social movements including with regard to strategic alliances

*Civil Resistance Today* Kurt Schock, 2015-07-09 From Gandhi's salt march to the US civil rights movement and Occupy Wall Street nonviolent campaigns to promote democracy human rights and social justice have long played an important transformative role in local national and global politics Some have succeeded some have failed but nonviolent action remains a very effective means of achieving significant social and political change In this authoritative book Kurt Schock expertly guides readers through the changing terrain of nonviolent struggle exploring the historical roots and development of modern civil resistance and its proliferation in recent decades Discussing movements against economic and social injustice as well as political oppression he explains how resistance happens and unpacks the complex interactions between state and non state actors that affect the trajectories and outcomes of nonviolent campaigns Drawing on a wealth of empirical data and comparative research *Civil Resistance Today* will be an essential one stop shop for anyone keen to learn more about the methods objectives and outcomes of civil resistance in the contemporary world

**Regional Security in the Middle East** Pinar Bilgin, 2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in the region She also considers the question of identity formation explaining how and why various regional representations came into being and explore

**Justice Without Violence** Paul Ernest Wehr, Heidi Burgess, Guy M. Burgess, 1994 A mixture of theoretical analysis and case studies from Asia Africa Europe Latin America and the Middle East this book examines non violent direct action political action economic sanctions and social movements as alternative remedies in the struggle for justice The authors thus address the basic questions that underlie current debates in international politics over the use of preventive diplomacy humanitarian intervention and international enforcement action

Refusing to be Enemies Maxine Kaufman-Lacusta, 2011 Presents the voices of over 100 practitioners and theorists of nonviolence the vast majority either Palestinian or Israeli as they reflect on their own involvement in nonviolent resistance and speak about the nonviolent strategies and tactics employed by Palestinian and Israeli organizations both separately and in joint initiatives

*War No More* Michael K. Duffey, 2021-07-16 In the twentieth and early twenty first centuries nonviolent movements for justice have succeeded where violent campaigns have failed This book examines fourteen cases eleven movements that succeeded and three that have until now failed and shows why nonviolent strategies work drawing on the thought of practitioners and theorists Later chapters examine violent U S interventions abroad and at home as well as citizen movements for nonviolent conflict resolution As an introduction to nonviolent movements this text engages students in recent events from the news as well as the history of modern warfare Bringing in philosophical and religious texts from a diverse set of traditions author Michael K Duffey offers a multifaceted argument for embracing nonviolent solutions to conflict
