Orange Candy Slices Viola Canales, 2001-10-31 Early in Canales collection the young narrator gives her beloved grandmother the perfect Christmas present she gives her the gift of the world Through her descriptions we see that world as she sees it through the eyes of a child that is slowly moving into adolescence In this twilight world the author offers a shimmering picture of a family confronted with the issues that divide lives and love In this collection of coming of age stories Canales introduces the reader to the cultural traditions and activities of a community homage to the Virgin of Guadalupe the celebration of the day of the Three Magi a carousel of unique saints and a flock of very special pink plastic flamingoes And through it all with the passage of time the narrator discovers changes within herself and the community around her Canales robust tales inhabit the mysterious and secret land that lies between the United States and Mexico between child and adulthood reality and the imagination and between life and death These haunting stories not only reveal layer by layer the fantastic in the ordinary but most importantly the powerful and healing magic inside all of us Long after the tales are finished the reader will be left with the taste of orange candy slices

Orange Candy Slices & Other Secret Tales , The Little Devil and the Rose / El diablito y la rosa Viola Canales, 2014-04-30 In her ode to The Umbrella Viola Canales remembers a family story about her mother who every Saturday as a child popped open her prized child's bright umbrella as did her little sister and followed their mother's adult one from their Paloma barrio home to downtown Main Street McAllen walking like ducks in a row street after street until one Saturday the littlest one disappeared inside the wilderness of Woolworth's Warm hearted recollections of family members are woven through this collection of 54 poems in English and Spanish which uses the images from lotería cards to pay homage to small town Mexican American life along the Texas Mexico border Cultural traditions permeate these verses from the curanderas who cure every affliction to the daily ritual of the afternoon merienda or snack of sweetbreads and hot chocolate The community's Catholic tradition is ever present holy days customs and saints are staples of daily life San Martín de Porres or El Negrito was her grandmother's favorite saint for although she was pale too she'd lived through the vestiges of the Mexican war the loss of land culture language and control and it was El Negrito to whom she turned for hope to bring enemies together Fond childhood memories of climbing mesquite trees and eating raspas are juxtaposed with an awareness of the disdain with which Mexican Americans are regarded Texas museums just like its textbooks feature cowboy boots worn by Texas Rangers but have no clue or sign of the vaqueros the original cowboys or the Tejas the native Indians there And some childhood memories aren't so happy In The Hand she writes In the morning I arrived at my first grade class knowing no English at noon I got smacked by the teacher for speaking Spanish outside in the playground Inspired by the archetypes found in the Mexican bingo game called lotería these poems reflect the history of family culture and war rooted in the Southwest for hundreds of years

From the barrios of New York City and the Cuban neighborhoods of Miami to the literature written by Hispanic peoples of the United States, this is the written word of North America's vibrant Latino communities. Emerging from the fusion of Spanish, North American, and African cultures, it has always been part of the American mosaic. Written for students and general readers, this encyclopedia surveys the vast landscape of Latino literature from the colonial era to the present. Aiming to be as broad and inclusive as possible, the encyclopedia covers all of native North American Latino literature as well as that created by authors originating in virtually every country of Spanish America and Spain. Included are more than 700 alphabetically arranged entries written by roughly 60 expert contributors. While most of the entries are on writers such as Julia Alvarez, Sandra Cisneros, Lorna Dee Cervantes, Oscar Hijuelos, and Piri Thomas, others cover genres, ethnic and national literatures, movements, historical topics and events, themes, concepts, associations, and organizations, and publishers and magazines. Special attention is given to the cultural, political, social, and historical contexts in which Latino literature has developed. Entries cite works for further reading, and the encyclopedia closes with a selected general bibliography. The encyclopedia gives special attention to the social, cultural, historical, and political contexts of Latino literature, thus making it an ideal tool to help students use literature to learn about history and cultural diversity.

answer d the given info allows you to determine the speed of the wave $v = \frac{d}{t} = \frac{2 \text{ m}}{0.5 \text{ s}} = 4 \text{ m/s}$ if there are 3 waves in a 2 meter long rope then each wave is $\frac{2}{3}$ meter long now find frequency with the equation $v = f \lambda$ where $v = 4 \text{ m/s}$ and $\lambda = 0.667 \text{ m}$
