Sallust The Conspiracy Of Catiline The:

Sallust's Conspiracy of Catiline and the Jugurthine War Sallust, John Watson, 2013-03-29 The Conspiracy of Catiline Sallust's first published work contains the history of the memorable year 63 Sallust adopts the usually accepted view of Catiline and describes him as the deliberate foe of law order and morality and does not give a comprehensive explanation of his views and intentions Note that Catiline had supported the party of Sulla which Sallust had opposed Mommsen's suggestion that Sallust particularly wished to clear his patron Caesar of all complicity in the conspiracy may have contained some truth In writing about the conspiracy of Catiline Sallust's tone style and descriptions of aristocratic behavior show him as deeply troubled by the moral decline of Rome While he inveighs against Catiline's depraved character and vicious actions he does not fail to state that the man had many noble traits indeed all that a Roman man needed to succeed In particular Sallust shows Catiline as deeply courageous in his final battle This subject gave Sallust the opportunity of showing off his rhetoric at the expense of the old Roman aristocracy whose degeneracy he delighted to paint in the blackest colours

Catiline's Conspiracy, The Jugurthine War, Histories Sallust, 2010-04-15 the glory of wealth and physical beauty is fluid and fragile but virtue is held brilliant and eternal The Roman historian Sallust lived through troubled times He deplored the moral and political decline of the Republic and in his two monographs he set out to exemplify the reasons for the years of civil strife Catiline's Conspiracy is an account of the rebellion against the state led by the disaffected Catiline For Sallust it was especially memorable because of the unprecedented nature of the crime and the danger it caused Rome's fight against the king of Numidia in The Jugurthine War is a graphic depiction of power struggles in Rome and brutal battles in Africa that eventually resulted in the capture of Jugurtha Sallust's abrupt and distinctive style is the perfect vehicle for his moral urgency bitter condemnation and satirical cynicism This new translation which also includes Sallust's fragmentary Histories captures his effects in an accessible English idiom and provides a comprehensive introduction to his work as history and literature ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Conspiracy of Catiline and the Jugurthine War**

Sallust, 2008-10-15 Two of Sallust's most famous works The Conspiracy of Catiline and Jugurthine War are presented here The first takes us to the year 63 B C as it discusses the corruption of Catiline The second is a brief yet fascinating monograph describing the war in Numidia between *The Conspiracy of Catiline and the War of Jugurtha*, 1924 *Sallust's Jugurthine War and Conspiracy of Catiline* Sallust, 1841 **The Conspiracy of Catiline** Sallust, 2017-08-30 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from

Conspiracy of Catiline and the Jugurthine War Sallust, 2019-11-21 Sallust s Conspiracy of Catiline and the Jugurthine War represents a critical exploration of political corruption and moral decay within the Roman Republic Written in a concise yet powerful prose Sallust employs an emphatic rhetorical style interweaving historical analysis with vivid character portrayals to unveil the motivations behind Catiline s conspiracy and the struggles against Jugurtha The work reflects the turbulent context of the late Republic a period marked by civil strife and the erosion of traditional Roman virtues emphasizing themes of ambition betrayal and the complexities of power As a Roman historian and politician Sallust s own experiences in the political sphere heavily influenced his writing His involvement in the tumultuous events of his time including the Jugurthine War provides him with unique insights into the nature of political machinations Sallust s disillusionment with the corruption of his fellow senators may have compelled him to call for reforms making his analyses not only a reflection of historical events but also a commentary on the ethical responsibilities of leadership Readers seeking to understand the intricacies of Roman political culture as well as the perennial themes of ambition and moral consequence will find Conspiracy of Catiline and the Jugurthine War an indispensable text Sallust s incisive narrative invites reflection on the lessons of history that resonate powerfully even in contemporary society

Sallust: The Conspiracy of Catiline and The War of Jugurtha Quintus Curtius, 2017-05-18 This new and original translation of Sallust s Conspiracy of Catiline and War of Jugurtha uses a fresh modern English idiom that preserves the flavor of the historian s famous epigrammatic style Fully outfitted for comprehension and efficient referencing this special edition contains the following features 1 Almost 300 detailed scholarly footnotes 2 Extended introduction describing the political and military systems of the Roman republic 3 Maps diagrams and photographs 4 Topical organization charts 5 Chronological tables 6 Textual commentary 7 Detailed index Considered the first of the great Roman historians Sallust has been read for centuries for his penetrating character studies

timeless moral insights and matchless rhetoric His profiles of flawed men led inexorably to ruin by excessive ambition or character defects resonate with us today more powerfully than ever Intrigue murder the lust for power and the fatal hubris that leads men to their dooms These are some of the historian s gripping themes Deeply concerned with the moral decay and corruption he saw around him Sallust s pragmatic views of historical forces personalities and the psychology of power were aided by his own direct participation in the highest levels of Roman politics The Conspiracy of Catiline tells the dramatic story of renegade senator Lucius Catiline s attempt to seize power in Rome during the waning days of the republic The War of Jugurtha recounts the rise and ultimate destruction of the headstrong Numidian king Jugurtha who waged an insurgent war against Rome from 112 to 106 B C And as the fates of men play themselves out on the stage of history strength of character and the will of Fortune will be the ultimate arbiters of human destiny
