Composed almost entirely of abstracts of wills deeds marriage records powers of attorney court orders church records cemetery records tax records guardianship accounts etc this unique work provides substantive evidence of the migration of individuals and families to Virginia or from Virginia to other states countries or territories Although primarily concerned with Virginians the data are of wide ranging interest England France Germany Scotland Barbados Jamaica and twenty three American states are represented all entries splendidly tied to court sources and authorities Each record provides prima facie evidence of places of origin and removal irrefutably linking individuals to both their old and their new homes and incidentally naming parents and kinsmen all 10 000 of whom are listed in alphabetical order in the indexes It is a safe observation that half of the records having been exhumed from the most improbable sources some augmented by the compiler s personal files are the only ones in existence which can prove the ancestor s identity and origin **Commercial and Financial Chronicle and Hunt's Merchant's Magazine** ,1867
