Multimodal Approaches to Chinese-English Translation and Interpreting Meifang Zhang,Dezheng (William) Feng,2020-12-29 Nowadays discourse analysis deals with not only texts but also paratexts and images so do translation and interpreting studies Therefore the concept of multimodality has become an increasingly important topic in the subject areas of linguistics discourse analysis and translation studies However up to now not much research has been done systematically on multimodal factors in translation and interpreting and even less in exploring research models or

methodologies for multimodal analysis in translation and interpreting This book aims to introduce and apply different theories of the multimodal discourse analysis to the study of translations with case studies on Chinese classics such as the Monkey King Mulan and The Art of War as well as on interpretations of up to date issues including the Chinese Belt and Road Initiatives and Macao tourism The chapters reflect the first attempts to apply multimodal approaches to translation and interpreting with a special focus on Chinese English translations and interpreting They provide new understandings of transformations in the multimodal translation process and useful reference models for researchers who are interested in doing research of a similar kind especially for those who are interested in looking into translations related to Chinese language literature and culture *The Moral Metaphor System* Ning Yu,2022 This book uses conceptual metaphor theory to explore moral metaphors in English and Chinese Ning Yu sheds light on the metaphorical nature of moral cognition and how it is systematically manifested in language and explores the potential commonalities that define moral cognition and the differences that characterize distinct cultures *Whitaker's Books in Print* ,1998 **Bilingual Lexicography from a Communicative Perspective** Heming Yong,Jing Peng,2007 This stimulating new book as the premier work introducing bilingual lexicography from a communicative perspective is launched to represent original thinking and innovative theorization in the field of bilingual lexicography It treats the bilingual dictionary as a system of intercultural communication and bilingual dictionary making as a dynamic process realized by sets of choices characterizing the overall nature of the dictionary It examines the dictionary and dictionary making by using a model of lexicography which stresses the three way relationship of compiler dictionary context and user and incorporates them into a unified coherent framework Throughout the study special focus is on English and Chinese bilingual lexicography It will serve not only as a valuable guide to those interested in dictionary compilation and theoretical inquiries but also as a textbook for undergraduate and postgraduate courses in bilingual lexicography **Межкультурная коммуникация: английский язык и культура народов Восточной Азии 2-е изд., испр. и доп. Учебное пособие для вузов** Зоя Прошина,2020-03-05 **FAIRCHILD BOOKS DICTIONARY OF INTERIOR DESIGN.** MARK. HINCHMAN,2023 This seminal text demystifies the terminology around being an interior designer today providing definitions of processes techniques features and even some historical terms that a designer must know The dictionary now includes coverage of sustainability smart materials new technologies and processes Coverage of non Western cultures is expanded and provides insights into their influence in a global marketplace This comprehensive reference covers multiple aspects of interior design and architecture addressing structural and decorative features of interiors and their furnishings business practices green design universal design commercial and residential interiors new workplace design and institutional and hospitality facilities The fourth edition also includes vocabulary and image flashcards via STUDIO for on the go studying **Forthcoming Books** Rose Arny,2003-04 *NewMedia* ,1999
