Look At A Ball Of Wool Look At:

Reaching Out Pamela Nadeau, 2002 We may feel we are spiritual beings living inside physical bodies yet know that life's big challenge is to live a spiritually good life For how can we be spiritually good when life can invite us to be unloving unkind or just plain confused Is this dilemma different as we enter the 21st Century with its complex technologies and renewed threats to global survival Are there simple solutions to staying spiritually good and physically alive no matter when we live in history Or does each generation need to find its own way The author had no answers to such thoughts only more questions until the day an extraordinary entity joined her debate Hailing from an Egypt of 5000 years past and communicating through channeled material Princess Hats upset wades deep into the topic with her endearing blend of humor metaphor and compassion She wins and heals the hearts of those who read her Are we so different from our forebears Read about and experience the magical mysteries of an Ancient Sisterhood of Healing Hearts Will your 21st century heart also be healed ,
