Eldership In the modern West aging is often treated as something to fight or hide But in Scripture it s something to honor Gray hair is a crown of wisdom Elders are not sidelined they are essential Throughout the Bible the older generation is charged with spiritual responsibility Psalm 78 4 says We will not hide them from their children but tell to the coming generation the glorious deeds of the Lord Paul tells Titus to have older men and women teach the younger not through lectures but by the example of a faithful life But in today s church we ve often separated by age Children go here Teens over there Adults somewhere else Grandparents wait for heaven That s not the biblical vision Grandparents are meant to be spiritual stewards not spectators You re not a backup parent You re a living witness This is a lost art But it can be recovered Not with programs but with presence Not with pressure but with prayer It starts with seeing your role differently not as
