Look At Your Body Lungs:

Corpsman ,1966-09 **The Secret Teachings of Plants** Stephen Harrod Buhner,2004-10-27 Reveals the use of direct perception in understanding Nature medicinal plants and the healing of human disease Explores the techniques used by indigenous and Western peoples to learn directly from the plants themselves including those of Henry David Thoreau Goethe and Masanobu Fukuoka author of The One Straw Revolution Contains leading edge information on the heart as an organ of perception All ancient and indigenous peoples insisted their knowledge of plant medicines came from the plants themselves and not through trial and error experimentation Less well known is that many Western peoples made this same assertion There are in fact two modes of cognition available to all human beings the brain based linear and the heart based holistic The heart centered mode of perception can be exceptionally accurate and detailed in its information gathering capacities if as indigenous and ancient peoples asserted the heart s ability as an organ of perception is developed Author Stephen Harrod Buhner explores this second mode of perception in great detail through the work of numerous remarkable people from Luther Burbank who cultivated the majority of food plants we now take for granted to the great German poet and scientist Goethe and his studies of the metamorphosis of plants Buhner explores the commonalities among these individuals in their approach to learning from the plant world and outlines the specific steps involved Readers will gain the tools necessary to gather information directly from the heart of Nature to directly learn the medicinal uses of plants to engage in diagnosis of disease and to understand the soul making process that such deep connection with the world engenders Your Body Matthew MacDonald,2009-07-28 Presents an easy to read guide on the human body its major organs and their functions and common illnesses and diseases *Healing Trauma through Family Constellations and Somatic Experiencing* Efu Nyaki,2023-11-07 A holistic method for resolving individual and intergenerational trauma Explains how the author came to develop her system by integrating ancestral tribal wisdom with a fusion of two Western healing systems Somatic Experiencing and Systemic Family Constellations Therapy Shares stories from her healing work around the world showing how this system can help resolve PTSD depression sexual trauma addiction and chronic illness Presents action steps that readers can take immediately to engage the personal healing process The journey to healing trauma is not always straightforward As Efu Nyaki reveals in detail the healing process is a complex ritual of energy movement on the physical emotional and spiritual levels Born and raised on Mount Kilimanjaro s slopes in Tanzania East Africa Efu explains how she came to develop her profoundly successful system for helping people heal trauma by integrating ancestral tribal wisdom with a fusion of two Western healing systems Somatic Experiencing and Systemic Family Constellations Therapy She shares how her journey to become a healer was initiated by her grandfather who told her the legend of the sacred healing snail of the Nyaki clan She explains how she discovered Somatic Experiencing and Systemic Family Constellations Therapy and how combining these therapies created a powerful system for releasing cellular memories and healing the intergenerational and

collective traumas hidden beneath the surface of suffering Sharing stories from her healing work around the world she presents action steps such as meditations breathwork and creating a family tree that readers can take immediately to regulate their nervous systems deepen their awareness and engage the personal healing process Demonstrating how trauma survivors can transform their suffering into vibrant wholeness the author shows how healing trauma is the result of bringing the physical emotional mental and spiritual aspects of our lives into an integrated coherence **Energy for Life** Colleen Deatsman, 2006 THERE IS NO MAGIC IF THERE IS NO ENERGY Magic is more than words gestures and visualization The definition of magic to bring about change in conformity to will calls for change to be made in a situation Change requires energy Energy in Change out Yes you can input some energy through the burning of candles and incense and the sacrifice of other material forms but the real foundation for magical success comes from the ability of the magician to channel energy from its ultimate source That energy flows through the magician to be expressed and transformed guided by his focused intent This new book *Energy for Life* not only teaches the reader how to tap into the Universal Life Force but the accompanying audio CD enables the user to do so through expertly crafted guided meditation carried into the user's deep unconscious by specially composed musical accompaniment Finalist for the Coalition of Visionary Resources Award for Best Alternative Health Healing Book *The Articulate Attorney* Brian K. Johnson, Marsha Hunter, 2013 Get your nose out of your notes look your audience in the eye and become the confident public speaker you've always wanted to be Grab and hold your listeners attention with skills you can depend on every time you speak *The Articulate Attorney* Public Speaking for Lawyers will make you a more self-assured compelling communicator Discover answers to these common questions How do I channel nervous energy into dynamic delivery What is a reliable way to remember what I want to say How do I stop saying um and think in silence instead Why is gesturing so important What do I do with my hands How can I make PowerPoint interactive Based on more than 30 years of experience coaching lawyers Brian K Johnson and Marsha Hunter address the distinctive communication skills expected of attorneys They offer practical immediately useful solutions that integrate cutting edge discoveries in human factors linguistics neuroscience gesture studies and sports psychology These techniques will transform you into a more confident speaker whether addressing colleagues in a conference room counseling clients in a boardroom or presenting a CLE in a ballroom Unedited summary from book cover **Environmental education in the schools creating a program that works.** , *Imagine Yourself Well* Sean F. Kelly, Reid J. Kelly, 1995-03-21 *Imagine Yourself Well* Better Health through Self Hypnosis is a remarkable view of hypnotherapy as a scientifically recognized treatment art Based upon their extensive practice and clinical research in therapeutic hypnotic techniques the authors have constructed an effective handbook articulating the therapeutic use of hypnosis by depicting word for word what transpires during a session The fascinating series of carefully worded transcripts of hypnotic exercises will enable the reader to correct specific self destructive habits e.g. overeating and smoking common psychological problems insomnia and various phobias chronic

physical conditions arthritis back pain high blood pressure and migraine headaches and performance anxieties athletics and public speaking The theory underlying clinical practice including the key point that all hypnosis involves self hypnosis is explained in lay terms and each exercise is grounded in sound cognitive behavioral or psychodynamic principles
