dysfunctional acquaintances and family Natsuyuki is prevailed upon by his friend Alexandre an occasional porn film actor to adopt the very pregnant cat Tama who gives birth and remains throughout the novel as a silent observer of her human hosts Further complications arise surrounding the mystery of who the father of Alexandre's sister Tsuneko's unborn child is with Tsuneko a bar owner happy to collect money from anyone who may be responsible One of these possible dads turns out to be Natsuyuki's half brother abandoned and forgotten long ago as easily as Tama has parted with her kittens A fast and comedic novel Oh Tama plays out against a backdrop of cramped apartments and cheap food and drink where everyone seems to have an opinion on film photography and fashionable French art theory It is part of the author's esteemed series of Mejiro novels named after the northwest area of Tokyo that so richly informs their urbanity and outlook
