Looking Other Stories:

Good Looking Bloke and other stories Ken Byerly, 2009-08-18 I didn't set out to write about sex though in some of these stories it does appear that that's what makes the turkey trot. Rather the beginning was mundane enough. In August 2008 I discovered two boxes of old letters in the basement of our house in Vermont. Letters I received and saved between the ages of 18 and 29. For reasons I can't explain these crinkly typed and written pages ignited in me a creative frenzy. I resurrected and rewrote four old short stories and over the next eight months created seven new ones. Have I a favorite I like them all but it struck me in my final run through for this volume that there was only one story MY FRIEND in which I did not change a single word. Here they are, hormones and all. Enjoy.

The Writing on the Wall and Other Stories Penny Edwards, 2016-05-12 Peter Bayer was seventy three He'd taught at the school just up the road for most of his life and when the wall came down saw no reason to move Nobody could say life had been easy and when it was built he'd lost contact with many friends but he'd learnt to enjoy life as best he could and had had the good fortune of a happy marriage to Elsa It's 2006 Peter Bayer and his wife Elsa live on the East side of Berlin as they've always done even when that wasn't an attractive proposition What limits Peter's freedom nowadays isn't a concrete wall but often feels like one Elsa has dementia and barely recognises him so his life is not only hard work but it's lonely What makes it lonelier is that his wife's illness has given her a distorted view of the past and one that would horrify the woman he married When Helen a recently widowed English woman rents the flat Peter owns nearby he experiences the kinds of conversations that used to be normal for him which makes his current reality all the more painful Helen's come to Berlin to find out more about her husband's past in the city and learns things from their German friends that she was unaware of when he was alive During her struggle to come to terms with her present life Helen sees that the terrible demands on Peter's life are almost impossible to endure Other stories in the book show the toll of war as fear is passed from one generation to another and we see how the power of secrecy never disappears They also reveal how gratitude can take various forms and how intergenerational friendships really are all they're cracked up to be *The Writing on the Wall and Other Stories* is a collection of tales spanning the 1980s to the present day that will appeal to fans of Anne Tyler Alan Bennett and Alice Munro whom Penny Edwards takes inspiration from *Little Content, and other stories* Edith Walford, 1870 **Flower O' the Orange**
