Looking At Religion Christian:

Eight Ways of Looking at Christianity Granville Hicks, 1926 **An Evolutionist Looks at Religion** Charles Augustus Collin, 1928 **Worldview of the Christian Faith** Joseph Charles Beach, 2022-10-27 Worldview of the Christian Faith explores the differing worldviews of our society against the backdrop of what Christians should believe Joseph Charles Beach a devoted believer in our Lord and Savior Jesus Christ answers questions such as Why do morals and values matter Is the Bible still relevant in today's modern world How can Christians stand up for the truth instead of caving in to the whims of society Can Christians defend their faith amid so many assaults on God and the Bible The author also explores whether science and the Bible can coexist and argues that skeptics of the Word should give Christianity another look It may surprise you how accurate the Bible is despite what you may have heard Only the Christian faith can offer hope truth and value to you as an individual Whether you have lost your faith want to ignite it or are confused about what to believe you'll find valuable guidance in this book Vodou and Christianity in Interreligious Dialogue Celucien L. Joseph, Charlene Desir, Lewis A. Clormeus, 2023-10-30 Vodou and Christianity in Interreligious Dialogue addresses both historical factors and ideological issues that created antagonism and conflict between Christians and Vodouists in Haiti The book offers practical solutions and strategies to help create a harmonious and peaceful environment between religious practitioners associated with Vodou and Christianity Toward this goal this volume considers various perspectives and theories such as autobiography anthropology ethnographic fieldwork religious experience and gender to examine the subject matter This volume offers practical examples and resources on how to engage in interreligious dialogue and promote interreligious education in Haiti There are three philosophical and practical ideas underlying this book project 1 it is grounded on the belief that religion has value and it could bring social goods to different communities and enhance human dignity and justice 2 it is premised on the idea that dialogue and cooperation are necessary for nation building and human development as democratic ideals and that one of the leading functions of the world's religious traditions is to promote both cooperation and dialogue through mutual understanding and for the common good and 3 that the power and public role of religion in society can be used as a major force of unification and peace building among divergent factions and schools of thought and to promote reconciliation mutual respect and friendship in the world Religion and Life with Christianity Ina Taylor, 2005 At the right depth for Religion and Life options Religion and Life with Christianity provides everything you need for Unit B of the Edexcel specification without any redundant material Religions Around the World Encyclopaedia Britannica, Inc., 2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series in Religions Around the World you will learn about the people traditions and diverse ideas that make up the many religions of the world *The Search* Harvey Meredith, 2016-07-06 This story is an insight into the views and understandings of someone raised in a strict Catholic family forced to learn a religion at the earliest age This study was undertaken after a near lifetime of reflection upon the beliefs and the basis of his religious

teachings This exercise in researching the teachings of the Catholic Church and Christian religion in general exposes the triangle of fear guilt and doubt about the religion driven from Rome that has cemented his personal beliefs Living through the jungle of regimented hypocrisy lemming like beliefs and teaching tactics has provided the incentive to personally investigate the subject of Christian religion and to learn as much as possible about the subject that has survived nearly two thousand years

Christian Theology and African Traditions

Matthew Michael,2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings

Searching For God And Finding Allah Gene Netto,2019-11-19 What does Islam say about Christianity Jesus the Trinity the Holy Bible and Almighty God What does Islam say about the Absolute Truth of Islam the Prophet Muhammad and the Holy Qur an also spelled Koran If there is only One Almighty God then Christians and Muslims must be praying to the same God So what are the differences between the two religions and why do Muslims reject Christianity the Bible and Jesus as the Son of God but still accept Jesus as a prophet of God For non devout and ex Christians this book will explain the problems with Christianity from an Islamic perspective It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad For Muslims who grew up without a strong religious education this book will explain that all religions are not the same that Christianity is no longer valid or accepted by God and that we should use the logical brains that God gave us to understand Islam In this book you will discover that Islam is simply the continuation of Judaism and Christianity that Islam is the One True Religion of Almighty God

and always has been since the time of Adam and Eve and that the Prophet Muhammad is the next messenger and also the Final Messenger from God that Jesus promised to his followers Gene Netto *How You Can Run The Christian Race Successfully Looking Unto Jesus* Emmanuel Allotey,2024-05-28 A Christian book about Christian discipleship that will inspire you to make Jesus your standard for life We Look for a Kingdom Carl Sommer,2007-01-01 As a historical work this book will be of interest to the large market of those who love history Sommer examines the lives and beliefs of the early Church He also includes practical examples of authentic even heroic holiness in the lives of ordinary early Christians provide inspirational reading and powerful lessons Rage and Carnage in the Name of God Abiodun Alao,2022-07-11 In *Rage and Carnage in the Name of God* Abiodun Alao examines the emergence of a culture of religious violence in postindependence Nigeria where Christianity Islam and traditional religions have all been associated with violence He investigates the root causes and historical evolution of Nigeria s religious violence locating it in the forced coming together of disparate ethnic groups under colonial rule which planted the seeds of discord that religion elites and domestic politics exploit Alao discusses the histories of Christianity Islam and traditional religions in the territory that became Nigeria the effects of colonization on the role of religion the development of Islamic radicalization and its relation to Christian violence the activities of Boko Haram and how religious violence intermixes with politics and governance In so doing he uses religious violence as a way to more fully understand intergroup relations in contemporary Nigeria *Brümmer on Meaning and the Christian Faith* Vincent Brümmer,2006 This volume presents a wide ranging selection from the writings of a leading contemporary philosophical theologian Vincent Brummer In his many books and articles Brummer has demonstrated how the tools of philosophical analysis are not only fruitful but also essential for dealing with the central issues of systematic theology The title of this volume *Meaning and the Christian Faith* highlights two characteristic themes that recur throughout the many writings of Vincent Brummer Much of his work has been devoted to exploring the meaning of the Christian faith and especially of its central claim that God is a personal being whose fellowship believers may enjoy On the other hand Brummer has also shown that religious belief should not be understood as an explanatory theory but rather as a way in which believers understand the meaning of their lives and their experience of the world and direct their lives accordingly **Cultural Dimensions of India's Look-Act East Policy** Sarita Dash,2023-09-09 Tracing the cultural interactions between South and Southeast Asia since prehistoric times the book critically scrutinizes the current cultural diplomacy initiatives of India s Look Act East Policy Reminding the need to look at culture as a two way process and the need to re define the understanding of culture in its Space Age setting the author emphasizes on India realising its unique multicultural potentiality to broaden the outlook and parameters of cultural diplomacy to suit the unfolding World Order in the region The nature and composition of the demography of Southeast Asia and its Indian diaspora calls for a balanced approach in covering the land and maritime sectors the book further observes Adopting a peoples centric approach the author argues for cultural interactions to go

beyond the union government and its agencies and advocates for the role of state governments non governmental actors and other community initiatives as well

Faith, Hope and Clarity: A look at Biblical and Situation Ethics Gordon Kainer, 2012-03-24 Truthfulness Morality Ethics Christians face fundamental questions regarding deep issues and everyday problems Are there situations in life where obedience to God s law is not the most practical solution Is lying always wrong Situation ethics attempts to answer questions like these by affirming that doing the loving thing is a higher priority than obedience to God s law The author endeavors to show how disregard for divine law though seemingly attractive reasonable and practical is untenable The book reveals how a situationalist follows a misguided ego rather than an objective standard Whether we manipulate others to suit our own purposes lie to avoid embarrassment or commit a minor indiscretion it s just a quick fix something that only lasts for a season Discover how the eye of faith adheres to God s directives unblinded by sin s attractive glow it contemplates a lifetime it considers eternity

Searching the Soul of the College and University in America Stephen J. Nelson, 2023-10-30 This is a story of religious and democratic covenants and controversies in the foundations of the American nation and in the soul of its colleges and universities Its powers are religion and politics in

America the creeds and convictions constituting the beliefs and theologies of citizens and religious people Critically overlapping and entangled democratic beliefs and convictions distinctly define the American body politic and are in the foundation of the nation and its colleges and universities In that story an unmistakable feature and idea is that the religion of the Republic in America is intertwined with and parallel to a symbiotic religion of the academy in its colleges and universities The nation and its colleges share the same space history and religious and democratic heralds and heroes Democratic and political theories and philosophies and competing and cooperating religious faiths and impulses have been reflected both the Republic and in battles waged about the essential nature of the American nation and its colleges and universities These traits constitute how America its public and its citizens in and outside the gates of the academy have wrestled with the aspirations and ideals that define civic duty the commons and the common good
