Looking Up At Down The Emergence Of Blues Culture

Patrick Huber

Looking Up At Down The Emergence Of Blues Culture:

Looking Up at Down William Barlow,1990-08-01 Takes a cultural and historic look at the evolution of the blues from post Reconstruction to the 1920s *Encyclopedia of American Folklife* Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

Analyzing Recorded Music William Moylan,Lori Burns,Mike Alleyne,2022-12-29 Analyzing Recorded Music Collected Perspectives on Popular Music Tracks is a collection of essays dedicated to the study of recorded popular music with the aim of exploring how the record shapes the song Moylan Recording Analysis 2020 from a variety of perspectives Introduced with a Foreword by Paul Th berge the distinguished editorial team has brought together a group of reputable international contributors to write about a rich collection of recordings Examining a diverse set of songs from a range of genres and points in history spanning the years 1936 2020 the authors herein illuminate unique attributes of the selected tracks and reveal how the recording develops the expressive content of song performance Analyzing Recorded Music will interest all those who study popular music cultural studies and the musicology of record production as well as popular music listeners *Record Cultures* Kyle Barnett,2021-07-26 Tracing the cultural technological and economic shifts that shaped the transformation of the recording industry [The Original Guitar Hero and the Power of Music](#) Dean Alger,2014-04-15 Lonnie Johnson 1894 1970 was a virtuoso guitarist who influenced generations of musicians from Django Reinhardt to Eric Clapton to Bill Wyman and especially B B King Born in New Orleans he began playing violin and guitar in his father s band at an early age When most of his family was wiped out by the 1918 flu epidemic he and his surviving brother moved to St Louis where he won a blues contest that included a recording contract His career was launched Johnson can be heard on many Duke Ellington and Louis Armstrong records including the latter s famous Savoy Blues with the Hot Five He is perhaps best known for his 12 string guitar solos and his ground breaking recordings with the white guitarist Eddie Lang in the late 1920s After World War

He began playing rhythm and blues and continued to record and tour until his death. This is the first full length work on Johnson. Dean Alger answers many biographical mysteries including how many members of Johnson's large family were left after the epidemic. It also places Johnson and his musical contemporaries in the context of American race relations and argues for the importance of music in the fight for civil rights. Finally, Alger analyzes Johnson's major recordings in terms of technique and style. Distribution of an accompanying music CD will be coordinated with the release of this book.

To Place Our Deeds Shirley Ann Wilson Moore, 2023-09-01 *To Place Our Deeds* traces the development of the African American community in Richmond, California, a city on the San Francisco Bay. This readable, extremely well researched social history based on numerous oral histories, newspapers and archival collections is the first to examine the historical development of one black working class community over a fifty year period. Offering a gritty and engaging view of daily life in Richmond, Shirley Ann Wilson Moore examines the process and effect of migration, the rise of a black urban industrial workforce and the dynamics of community development. She describes the culture that migrants brought with them including music, food, religion and sports and shows how these traditions were adapted to new circumstances. Working class African Americans in Richmond used their cultural venues, especially the city's legendary blues clubs, as staging grounds from which to challenge the racial status quo with a steadfast determination not to be Jim Crowed in the Golden State. As this important work shows, working class African Americans often stood at the forefront of the struggle for equality and were linked to larger political, social and cultural currents that transformed the nation in the postwar period. *To Place Our Deeds* traces the development of the African American community in Richmond, California, a city on the San Francisco Bay. This readable, extremely well researched social history based on numerous oral histories, newspapers and archival collections.

A Supreme Love William Edgar, 2022-07-26 Theologian and jazz pianist William Edgar places jazz within the context of the African American experience and explores the work of musicians like Miles Davis and Ella Fitzgerald, arguing that jazz, which moves from deep lament to inextinguishable joy, deeply resonates with the hope that is ultimately found in the good news of Jesus Christ.

The Mississippi Encyclopedia Ted Ownby, Charles Reagan Wilson, Ann J. Abadie, Odie Lindsey, James G. Thomas Jr., 2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust. The perfect book for every Mississippian who cares about the state, this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions. The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home. The book will be especially helpful to students, teachers and scholars researching, writing about or otherwise discovering the state past and present. The volume contains entries on every county, every governor and numerous musicians, writers, artists and activists. Each entry provides an authoritative but accessible introduction to the topic discussed. *The Mississippi Encyclopedia* also features long essays on

agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing **Blues Empress in Black Chattanooga** Michelle

R. Scott, 2010-10-01 As one of the first African American vocalists to be recorded Bessie Smith is a prominent figure in American popular culture and African American history Michelle R Scott uses Smith's life as a lens to investigate broad issues in history including industrialization Southern rural to urban migration black community development in the post emancipation era and black working class gender conventions Arguing that the rise of blues culture and the success of female blues artists like Bessie Smith are connected to the rapid migration and industrialization in the late nineteenth and early twentieth centuries Scott focuses her analysis on Chattanooga Tennessee the large industrial and transportation center where Smith was born This study explores how the expansion of the Southern railroads and the development of iron foundries steel mills and sawmills created vast employment opportunities in the postbellum era Chronicling the growth and development of the African American Chattanooga community Scott examines the Smith family's migration to Chattanooga and the popular music of black Chattanooga during the first decade of the twentieth century and culminates by delving into Smith's early years on the vaudeville circuit **Franchising Dreams** Peter M. Birkeland, 2004-04

Franchises have become an ever present feature of American life both in our landscapes and our economics Peter M Birkeland worked for three years in the front line operations of franchise units for three companies met with CEOs and executives and attended countless trade shows seminars and expositions Through this extensive fieldwork Birkeland not only discovered what makes franchisees succeed or fail he uncovered the difficulties in running a business according to someone else's system and values Bearing witness to a market flooded with fierce competitors and dependent on the inscrutable whims of consumers he revealed the numerous challenges that franchisees face in making their businesses succeed Book jacket **The Roots of**

Western Swing John L. Clark, Jr., 2023-09-29 This book details the early history of what came to be known as Western swing a hybrid of country jazz blues and cowboy music that reached its peak popularity in the 1940's In the 1930's the emphasis was firmly on the jazz elements Most early bands such as the Light Crust Doughboys Milton Brown and His Brownies and Bob Wills and His Texas Playboys recognized the influence of African American and white jazz players of the 1920's and 1930's and featured musicians who self identified as jazz musicians and foregrounded elements such as improvisation blues expression and repertoire from the tradition Many of these players incorporated these elements and developed an original style that was eventually absorbed into Western swing **Encyclopedia of the Blues** Gérard Herzhaft, 1992-01-01

The popular Encyclopedia of the Blues first published by the University of Arkansas Press in 1992 and reprinted six times has

become an indispensable reference source for all involved with or intrigued by the music The work alphabetizes hundreds of biographical entries presenting detailed examinations of the performers and of the instruments trends recordings and producers who have created and popularized this truly American art form **Linthead Stomp** Patrick Huber,2008-10-20

Contrary to popular belief the roots of American country music do not lie solely on southern farms or in mountain hollows Rather much of this music recorded before World War II emerged from the bustling cities and towns of the Piedmont South No group contributed more to the commercialization of early country music than southern factory workers In Linthead Stomp Patrick Huber explores the origins and development of this music in the Piedmont s mill villages Huber offers vivid portraits of a colorful cast of Piedmont millhand musicians including Fiddlin John Carson Charlie Poole Dave McCarn and the Dixon Brothers and considers the impact that urban living industrial work and mass culture had on their lives and music Drawing on a broad range of sources including rare 78 rpm recordings and unpublished interviews Huber reveals how the country music recorded between 1922 and 1942 was just as modern as the jazz music of the same era Linthead Stomp celebrates the Piedmont millhand fiddlers guitarists and banjo pickers who combined the collective memories of the rural countryside with the upheavals of urban industrial life to create a distinctive American music that spoke to the changing realities of the twentieth century South Cultures in Babylon Hazel V. Carby,2024-03-12

For a decade and a half since she first appeared in the Birmingham Centre s collective volume *The Empire Strikes Back* Hazel Carby has been on the frontline of the debate over multicultural education in Britain and the US This book brings together her most important and influential essays ranging over such topics as the necessity for racially diverse school curricula the construction of literary canons Zora Neale Hurston s portraits of the Folk C L R James and Trinidadian nationalism and black women blues artists and the necessity for racially diverse school curricula Carby s analyses of diverse aspects of contemporary culture are invariably sharp and provocative her political insights shrewd and often against the grain A powerful intervention *Culture in Babylon* will become a standard reference point in future debates over race ethnicity and gender Music and the Racial Imagination Ronald M. Radano,Philip V. Bohlman,2000-12

A specter lurks in the house of music and it goes by the name of race write Ronald Radano and Philip Bohlman in their introduction Yet the intimate relationship between race and music has rarely been examined by contemporary scholars most of whom have abandoned it for the more enlightened notions of ethnicity and culture Here a distinguished group of contributors confront the issue head on Representing an unusually broad range of academic disciplines and geographic regions they critically examine how the imagination of race has influenced musical production reception and scholarly analysis even as they reject the objectivity of the concept itself Each essay follows the lead of the substantial introduction which reviews the history of race in European and American non Western and global musics placing it within the contexts of the colonial experience and the more recent formation of world music Offering a bold new revisionist agenda for musicology in a postmodern postcolonial world this book will appeal to students of culture and race across the

humanities and social sciences **Georgia Women** Kathleen Ann Clark, Ann Short Chirhart, 2014-07-15 Women were leading actors in twentieth century developments in Georgia yet most histories minimize their contributions The essays in the second volume of *Georgia Women* edited by Ann Short Chirhart and Kathleen Ann Clark vividly portray a wide array of Georgia women who played an important role in the state's history from little known Progressive Era activists to famous present day figures such as Pulitzer Prize winning author Alice Walker and former First Lady Rosalynn Carter Georgia women were instrumental to state and national politics even before they achieved suffrage and as essays on Lillian Smith Frances Pauley Coretta Scott King and others demonstrate they played a key role in twentieth century struggles over civil rights gender equality and the proper size and reach of government Georgia women's contributions have been wide ranging in the arena of arts and culture and include the works of renowned blues singer Gertrude Ma Rainey and such nationally prominent literary figures as Margaret Mitchell Carson McCullers and Flannery O'Connor as well as Walker While many of the volume's essays take a fresh look at relatively well known figures readers will also have the opportunity to discover women who were vital to Georgia's history yet remain relatively obscure today such as Atlanta educator and activist Lugenia Burns Hope World War II aviator Hazel Raines entrepreneur and carpet manufacturer Catherine Evans Whitener and rural activist and author Vara A Majette Collectively the life stories portrayed in this volume deepen our understanding of the multifaceted history of not only Georgia women but also the state itself Encyclopedia of Black Studies Molefi Kete Asante, Ama Mazama, 2005 In the 1960s Black Studies emerged as both an academic field and a radical new ideological paradigm Editors Molefi Kete Asante and Ama Mazama Black Studies Temple U both influential and renowned scholars have compiled an encyclopedia for students high school and beyond and general readers It presents analysis of key individuals events a *"Who Set You Flowin'?"* Farah Jasmine Griffin, 1996-09-26 Twentieth century America has witnessed the most widespread and sustained movement of African Americans from the South to urban centers in the North *Who Set You Flowin'* examines the impact of this dislocation and urbanization identifying the resulting Migration Narratives as a major genre in African American cultural production Griffin takes an interdisciplinary approach with readings of several literary texts migrant correspondence painting photography rap music blues and rhythm and blues From these various sources Griffin isolates the tropes of Ancestor Stranger and Safe Space which though common to all Migration Narratives vary in their portrayal She argues that the emergence of a dominant portrayal of these tropes is the product of the historical and political moment often challenged by alternative portrayals in other texts or artistic forms as well as intra textually Richard Wright's bleak yet cosmopolitan portraits were countered by Dorothy West's longing for Black Southern communities Ralph Ellison while continuing Wright's vision reexamined the significance of Black Southern culture Griffin concludes with Toni Morrison embracing the South as a site of African American history and culture a place to be redeemed Encyclopedia of African American Music Tammy L. Kernodle, Horace Maxile, Emmett G. Price III, 2010-12-17 African Americans historical roots are

encapsulated in the lyrics melodies and rhythms of their music In the 18th and 19th centuries African slaves longing for emancipation expressed their hopes and dreams through spirituals Inspired by African civilization and culture as well as religion art literature and social issues this influential joyous tragic uplifting challenging and enduring music evolved into many diverse genres including jazz blues rock and roll soul swing and hip hop Providing a lyrical history of our nation this groundbreaking encyclopedia the first of its kind showcases all facets of African American music including folk religious concert and popular styles Over 500 in depth entries by more than 100 scholars on a vast range of topics such as genres styles individuals groups and collectives as well as historical topics such as music of the Harlem Renaissance the Black Arts Movement the Civil Rights Movement and numerous others Offering balanced representation of key individuals groups and ensembles associated with diverse religious beliefs political affiliations and other perspectives not usually approached this indispensable reference illuminates the profound role that African American music has played in American cultural history Editors Price Kernodle and Maxile provide balanced representation of various individuals groups and ensembles associated with diverse religious beliefs political affiliations and perspectives Also highlighted are the major record labels institutions of higher learning and various cultural venues that have had a tremendous impact on the development and preservation of African American music Among the featured Motown Records Black Swan Records Fisk University Gospel Music Workshop of America The Cotton Club Center for Black Music Research and more With a broad scope substantial entries current coverage and special attention to historical political and social contexts this encyclopedia is designed specifically for high school and undergraduate students Academic and public libraries will treasure this resource as an incomparable guide to our nation s African American heritage
