Loop Group A Novel:

Loop Group Larry McMurtry, 2004 In perhaps his finest contemporary novel since *Terms of Endearment* Larry McMurtry with his miraculously sure touch at creating instantly recognizable women characters and his equally miraculous sharp eye for the absurdities of everyday life in the modern West writes about two women old friends who set off on an adventure with unpredictable and sometimes hilarious results As *Loop Group* opens we meet Maggie whose three grown up daughters have arrived at her Hollywood home to try and make her see sense about her life which isn't easy first of all because their own lives are a mess and secondly because as far as Maggie is concerned her own life makes perfect sense She is self supporting running a successful loop group dubbing movies she has a lover admittedly he is married and her psychoanalyst and very old and leads a busy life that intersects with lots of interesting all right bizarre people Still her daughters push her into having a few second thoughts about her life and these are reinforced when her best friend Connie seeks an escape from her own world of complex and difficult relationships with men Since neither high end nor low end shopping seems to relieve their angst and since a succession of sad events takes place that shakes Maggie to the core she conceives the idea of driving to visit her Aunt Cooney's ranch near Electric City Texas and the two women prepare for the trip by buying a .38 Special revolver which leads to unexpected trouble along the way This road trip will end by changing their lives Tangling along the way with Hopi Indians with a bearded vagrant who turns out to be an old acquaintance with the theft of their car and their revolver and with every possible variety of cardsharp faker charmer and crook the two women eventually proceed through the desert landscape to Electric City and discover some home truths about life When they return to Hollywood they find that one of Maggie's old friends an ancient MGM producer has left her a gift that enables her to make a new start to her life and to bring a new measure of sanity to her family and friends Alternately hilariously funny and profoundly sad even tragic *Loop Group* is a major Larry McMurtry novel and a joy to read

Hollywood Larry McMurtry, 2010-08-10 One thing I've always liked about Hollywood is its zip or speed The whole industry depends to some extent on talent spotting The hundreds of agents studio executives and producers who roam the streets of the city of Los Angeles let very little in the way of talent slip by In this final installment of the memoir trilogy that includes *Books and Literary Life* Larry McMurtry the master of the show stopping anecdote *O* The Oprah Magazine turns his own keenly observing eye to his rollercoaster romance with Hollywood As both the creator of numerous works successfully adapted by others for film and television *Terms of Endearment* *Lonesome Dove* and the Emmy nominated *The Murder of Mary Phagan* and the author of screenplays including *The Last Picture Show* with Peter Bogdanovich *Streets of Laredo* and the Oscar winning *Brokeback Mountain* both with longtime writing partner Diana Ossana McMurtry has seen all the triumphs and frustrations that Hollywood has to offer a writer and he recounts them in a voice unfettered by sentiment and yet tinged with his characteristic wry humor Beginning with his sudden entrance into the world of film as the author of *Horseman Pass By* adapted into the Paul Newman starring *Hud* in 1963 McMurtry regales readers with anecdotes that find him holding hands with Cybill Shepherd watching Jennifer Garner's audition tape and taking lunch at Chasen's again and again McMurtry fans and Hollywood hopefuls alike will find much to cherish in these pages as McMurtry illuminates life behind the scenes in America's dream factory

A Multidisciplinary Approach to Embodiment Nancy K Dess, 2020-10-22 This is a collection of pithy and accessible essays on the nature and implications of human embodiment which explore the concept of human being in the most unprecedented manner through seemingly disparate academic disciplines With contributions from key researchers from around the world this book engages with embodiment through the lens of new materialism It eschews the view that human beings are debased by materiality and creates a vision of humans as fully embodied creatures situated in a richly populated living planet The essays in this volume will illustrate and foster new materialist thought in areas including psychology astrophysics geology biology sociology philosophy and the performing arts

The book's engaging and enlightening content is made accessible to readers with relatively little background in the various academic disciplines. This is an important and fascinating text which invites readers to explore and expand their understanding and experience of embodiment. It will be particularly useful for postgraduate students and scholars of theoretical and philosophical psychology, philosophy of the mind and social and cultural anthropology.

Somebody's Darling Larry McMurtry, 2018-10-02 The personal and professional struggles of McMurtry's lively protagonist Jill Peel, a director in 1970s Hollywood, takes on new resonance in the twenty-first century. Forty years ago Larry McMurtry journeyed from the sprawling ranches of his early work to the provocative Sunset Strip, creating a Hollywood fable that is both immediate and relevant in today's dynamic cultural climate. One would never guess that Jill Peel is still on the verge of stardom. Jill won an Oscar shortly after her fresh-faced arrival in 1950s Hollywood, then for the next twenty years battled away every Tinseltown producer who tried to hire her and get her into bed. Now middle-aged, she's determined to create more movie magic by directing a cast of raunchy eccentrics including Joe Percy, an aging womanizing screenwriter and ex-football player, Owen Oarson, eager to sleep his way to leading man stardom. Teeming with biting humor and intriguing characters that mirror the scandals of modern-day Hollywood, *Somebody's*
