Finley's intricate storytelling that merges moral didacticism with the burgeoning ideals of womanhood and personal virtue prevalent in her time. Rich in sentimental prose and vivid characterizations, her writing is emblematic of the Victorian literary context, offering readers an immersive glimpse into the ethical frameworks that shaped the lives of young women in the post-Civil War era. Martha Finley, born in 1828 and a product of a deeply religious upbringing, channeled her personal experiences and Christian values into her work. Her strong convictions about morality and education were fueled by a desire to positively influence young readers during a time when societal expectations for women were evolving. Finley's dedication to storytelling was not merely a professional endeavor but a vocational mission to inspire and uplift the next generation, making her a forerunner in children's literature. For readers seeking a profound exploration of 19th-century values and the trials of youth, Martha Finley's *Collected Works* is an essential addition to any literary collection. It offers both historical insight and timeless themes of resilience and morality, making it a thought-provoking read for scholars and casual readers alike. *Christian Register and Boston Observer...*, 1904

*Doing Gender Diversity* Rebecca F. Plante, Lis M. Mau, 2018-04-17 This cutting-edge reader demonstrates the multiple ways in which the universe of gender is socially, culturally, and historically constructed. The selections focus on gender itself, how gender operates, socioculturally exists, functions, and is presented in micro and macro interactions. In order to avoid balkanization, the authors examine the various ways in which culture intersects with individuals to produce the range of presentations of self that we call gender, from people born male who become adult men to lesbian women to transmen and everyone else on the diverse gender spectrum. *Martha* Maxine Funchess, 2023-11-08 I wrote this book because it is a story that needs to be told. This is a story about a young girl, Martha, having to grow up in a world where she has to pay for her grandmother's sin, a sin that her grandmother made at an early age. It well tells how her mother also paid a heavy price for that same sin as she grew up. This book will take you on a ride through time and show you that evil is real in all walks of life. When you think good is at your door, evil will walk right in. Keep a lookout for my next book. It will be about how evil can go from state to state, how Martha has to survive in Chicago at a time when pimping is at its all-time high, and how she has to deal with homelessness, love, lost love, and drugs, all because of her grandmother's lies and sin.
