Cockcroft, Andre Gunder Frank, Dale L. Johnson, 1972 This book challenges all of the most commonly held ideas regarding underdevelopment. The process of development say the authors is not a matter of higher Gross National Products which to the contrary often serve to increase a country's long run underdevelopment Meaningful development is a political as well as an economic process which improves the quality of life for the people of a country The authors argue that underdevelopment far from being an original or natural condition of the countries of the so called Third World is a condition imposed by the international expansion of capitalism The authors go on dispute some common assumptions regarding industrialization economic aid and the allegedly progressive nature of the international expansion of capitalism The authors go on to dispute some common assumptions regarding industrialization economic aid and the allegedly progressive nature of native bourgeoisies. The theory of development and underdevelopment presented in this book is supported by case studies of Mexico Venezuela Chile and other Latin American nations but the implications extend to Asia Africa the Middle East and the internal colonies of the United States Dependence, Class and Politics in Latin America André Gunder Frank, 1972 Latin America and Underdevelopment Andre Gunder Frank, 1970 Collection of essays on obstacles to economic development in Latin America with particular reference to the adverse effects thereon of capitalist economic policy in Brazil and Mexico covers revolutionary changes in the economic structure and social structure since deconolization the role of USA in military government agrarian reforms the role of foreign investments economic integration

etc References Capitalism and Underdevelopment in Latin America Andre Gunder Frank, 1967 Originally published Monthly Review Press 1967 Promise Of Development Peter F Klaren, Thomas J Bossert, 1986-06-09 In recent years Latin Americanists have been among the most innovative and productive theorists about the uneven process of development This collection of substantial selections from some of the most prominent theorists in the field represents a scholarly consolidation and reassessment of the controversies concerning the development of Latin America Beginning with a historiographic overview the editors emphasize the origins evolution and historical context of the development of each theoretical school modernization dependency and Marxism corporatism and bureaucratic authoritarianism then present key selections drawn from the writings of major theorists organized by school Each selection is prefaced with a short editorial introduction that highlights the central themes to follow A concluding section outlines the main debates surrounding each school and suggests new directions in theoretical development that may arise from criticism of the theories of authoritarianism and the search for democratic processes of development The book s usefulness as a text is further enhanced by selected bibliographies that contain further readings on each development theory Here is a single source for Latin Americanists who hope to interest and instruct their students in the rich theoretical traditions and debates in Latin American studies It also provides a strong core volume for other courses on developing areas <u>Lumpen-Bourgeoisie and Lawpen-development</u> Andre Gunder Frank, 1972
