Australia against the background of the First World War, a story inspired by an old family legend about love letters that never reached their destination. After he loses his parents, William Cahill retreats into a world of his own, and his life would have spiraled out of control if it had not been for Aunt Augusta. She drags him back from the brink and transforms his life, and that of his siblings, but Augusta Cahill is no ordinary woman. She might be dreadfully wealthy and a pathetic old socialite, but she can be a force to be reckoned with. A story about life, death, and suffering on the home front, a place that can be as perilous as a battlefield. PART TWO: There is so much more to come, and whether they like it or not, that notorious old she-devil is now a part of their lives. Aunt Augusta changed their destiny, and now she is about to broaden their minds. She decides to take them on the trip to the islands of the Pacific Ocean and to South America. This is one of those old-fashioned adventures set in far and distant lands. It won't be dangerous, but it will be interesting.

It is a guide to how to live a good life by developing good qualities. One of these qualities, mercy, is the author's nickname.
