PICCOLA FRASEOLOGIA ITALIANA Vincenzo Percolla,1889 *Catalogue of the Library of the Boston Athenæum*
Boston Athenaeum,1876 **Playing with Gender** Maggie Gunsberg,2017-12-02 This work takes gender as its point of entry
into the comedies of Carlo Goldoni 1707 93 The dramatization of femininity and masculinity is explored in conjunction with
that of other social categories class the family and age The plays reinforce the patriarchal association of femininity with the
body with spectacle and with theatricality while the dramatic backdrop of Venice and carnival provides a context for the
staging of issues relating to identity disguise and fashion In the plays pretence and theatricality vie with bourgeois
Enlightenment values of morality honesty and respectability to produce dramatic tension with distinct gender implications
