Compliance, Defiance, and 'Dirty' Luxury Tereza Østbø Kuldova, Jardar Østbø, Cris Shore, 2024-07-31 This book interrogates the transnational field of anti corruption and elite crime Using the lens of luxury art and antiquities the contributors reconceptualize the driving dialectics of corruption and anti corruption Compliance Defiance and Dirty Luxury brings together scholars across criminology anthropology sociology and the humanities to tackle these dialectics from different angles and positions digging deeper into these corrupt zigzags of compliance and defiance This approach reveals a self reinforcing accelerating neoliberal perpetuum mobile churning out a frenzy of public private crime fighting initiatives that stimulate the expansion of various control and surveillance architectures which time and again fail This volume opens new theoretical and empirical paths of investigation for criminologists and anthropologists alike While the book speaks primarily to academic audiences and graduate students it also appeals to a broad range of professionals Tereza stb Kuldova is Research Professor and a social anthropologist based at the Work Research Institute Oslo Metropolitan University Norway Jardar stb is Professor and Head of Programme for Russian Security and Defence Policy at the Institute for Defence Studies Norwegian Defence University College Cris Shore is emeritus Professor of Anthropology at Goldsmiths University of London UK and currently Senior Research Fellow at the Institute for Advanced Study Central European University Hungary **On Luxury** William Howard Adams, 2012-10-31 Diamond encrusted alligator skin handbags Eighteen course feasts Yachts the length of city blocks In the twenty first century many point to such conspicuous consumption as reflecting the moral failings of a rampant capitalism that sacrifices community values on an altar of greed Television shows such as Keeping Up with the Kardashians illustrate the folly of wealth without responsibility even as they elevate their subjects on pedestals of desire Our discomfort with extravagance is not new The ancient Greeks and Romans fretted over the ideal relationship between morality and luxury Politics religion and economics influenced the debate with the concept of luxury as a moral question becoming a core issue in Christian theology and even a cornerstone of the founding of America People have long feared luxury s evil influence Society has publicly and privately extolled the virtues of moderation and restraint and condemned luxury as a breeding ground for vice and sin After capitalism and the consumer revolution removed its stigma the concept of luxury underwent a radical transformation from a vice to be feared to a marketing tool of the new capitalist era In this lively and thought provoking narrative William Howard Adams shows how this simultaneous distrust and embrace of luxury has pervaded Western thought for three millennia leading us to the question what price the soul NERO: Power and Luxury in Rome Editions LeBooks, 2024-03-21 Nero Claudius Caesar Augustus Germanicus was one of the Caesars and ruled Rome between the years 54 to 68 AD Like his predecessors he wielded power with violence and a good dose of insanity Besides seeing himself as a deity Nero considered himself a brilliant artist and dedicated much of his energy as a musician and actor to prove this However Nero went down in history as a murderer madman and debauchee with no limits to obtaining what he

desired which in terms of power could mean the murder of his own mother and half brother as well as the unrestricted possession of absolutely anyone woman or man who crossed his path and aroused his desire This work portrays the power struggle behind the scenes of the Roman Empire where poisoning was one of the main strategies as well as Nero s trajectory from his rise to power through the cruelty and obstinacy of his mother Agrippina to the tragic outcome when he commits suicide to avoid the wrath of his people An unforgettable read      *A Companion to Roman Art* Barbara E. Borg,2019-11-04 A Companion to Roman Art encompasses various artistic genres ancient contexts and modern approaches for a comprehensive guide to Roman art Offers comprehensive and original essays on the study of Roman art Contributions from distinguished scholars with unrivalled expertise covering a broad range of international approaches Focuses on the socio historical aspects of Roman art covering several topics that have not been presented in any detail in English Includes both close readings of individual art works and general discussions Provides an overview of main aspects of the subject and an introduction to current debates in the field      **The Idea of Luxury** Christopher J. Berry,1994-06-16 This book analyses the idea of luxury shows how its evaluative meaning has changed and explores its role in the determination of social order      Whistleblowers: True Patriots of Humanity Shawn Alli,2014-07-12 Whistleblowers are the gatekeepers who holds the keys of the kingdom in their pockets and capable of revolutionizing all of humanity The idea that patriotism is a concept limited to ones government and implies obedience to them is equal to propaganda on steroids Generational societal political social and religious conditioning reaches into the minds of whole populations and enslaves them in a dreamlike state Whistleblowers are paradigm shifters who are capable of waking up the masses And it s high time that the masses wake up take responsibility for their lapse in judgement and hold corrupt governments officials accountable for their actions In Whistleblowers True Patriots of Humanity you ll learn How to blow the whistle safely with various frameworks and methodologies How to separate the real whistleblowers from the celebrity ones using the Standard Whistleblowing Criterion Understand the dynamics of the conspiracy theory movement Why many Five Eyes government constitutions and oaths of allegiance are invalid Understand the US and UK government s war against journalists How mainstream media and alternative media outlets can redefine themselves in the 21st century      Global Marketing Strategies for the Promotion of Luxury Goods Mosca, Fabrizio,Gallo, Rosalia,2016-03-31 Vast markets for high symbolic value goods serve as an expansive worldwide arena where luxury brands and products compete for consumer attention As global luxury markets have grown and continue to grow uncovering successful methods for maintaining brand image and consumer desire is critical to the success of high end brands Global Marketing Strategies for the Promotion of Luxury Goods explores the latest promotional trends business models and challenges within the luxury goods market Focusing on strategies for achieving competitive advantage new market development as well as the role of the media in luxury brand building this timely reference publication is designed for use by business professionals researchers and graduate level students      Luxury After the Terror Iris Moon,2022-04-01 When Louis

XVI was guillotined on January 21 1793 vast networks of production that had provided splendor and sophistication to the royal court were severed Although the king's royal possessions from drapery and tableware to clocks and furniture suites were scattered and destroyed many of the artists who made them found ways to survive This book explores the fabrication circulation and survival of French luxury after the death of the king Spanning the final years of the ancien régime from the 1790s to the first two decades of the nineteenth century this richly illustrated book positions luxury within the turbulent politics of dispersal disinheritance and dispossession Exploring exceptional works created from silver silk wood and porcelain as well as unrealized architectural projects Iris Moon presents new perspectives on the changing meanings of luxury in the revolutionary and Napoleonic periods a time when artists were forced into hiding exile or emigration Moon draws on her expertise as a curator to revise conventional accounts of the so called Louis XVI style arguing that it was only after the revolutionary auctions liquidated the king's collections that their provenance accrued deeper cultural meanings as objects with both a royal imprimatur and a threatening reactionary potential Lively and accessible this thought provoking study will be of interest to curators art historians scholars and students of the decorative arts as well as specialists in the French Revolution
