*Student safety and security are primary goals for the GEMS program. With these goals in mind, if an alternative form of transportation is needed (other than the bus mentioned above) it is best if a parent/guardian is needed and must be approved by the GEMS coordinator. In addition, the GEMS program assumes no obligation or liability after the 3:00pm pick-up time. Children should be picked up promptly. Parents and those picking up student interns from GEMS are asked to be very sensitive to the instructions placed on the sign when children need to be transported after the pick-up time. Any student intern that gets picked up after 10 minutes after the scheduled release time without prior arrangements may be banned from participating in the GEMS program for the remainder of the summer.*
